

AL ILM WEEKEND SCHOOL

1st Semester Final Study Guide Islamic Studies – Grade 9

1. Reflecting on your experiences growing up Muslim in America, please answer one of the following questions:
 - a. What do you fear most growing up Muslim in America and why?
 - b. Is Islam compatible with American values and democracy? Please explain.
 - c. Do you feel a burden or pressure to represent Islam in your school or social circles? In either case, why?
 - d. Have you ever felt pressured to compromise any Islamic values to fit in or be accepted as American? Please explain.
 - e. Has someone approached you with a question, misinformation, or misrepresentation of Islam? If so, how did you respond and how would you approach this differently in the future?

2. *Adab* refers to prescribed Islamic etiquette: “refinement, good manners, courtesy, respect, morals, decorum, decency, humaneness.” Islam holds a very important esteem for teachers. Please briefly describe the *Adab* of students and teachers in Islam, using examples from the Quran and Hadith, and how we all can strive to do better in this regard.
