Prophet Mohammed (SAW) was born in Makka. His mother was Aminah and his dad was Abdullah. His father passed away before prophet Muhammad (SAW) was born. His mother sent him to a lady to take care of him when he was 4 years old, her name was Halimah. After he returned to his mother and became 6 years old she passed away.

Prophet Muhammad (SAW) worked for a rich lady named Khadijah, and after a while they got married. When Prophet Muhammad (SAW) was 40 years old, he sat in a cave to meditate and think. When an angel named Jibreel came down to him and gave him verses of the Quran. After getting the message Prophet Muhammad (SAW) wanted to spread the message of Islam to everyone around him.
