

### 8th Grade Second Semester Mid Term

- Think about what the Quran says about arrogance and what traits define being arrogant.
- How can you find ways to rid yourself of being arrogant and pride
- Recall the various trials and challenges that individuals may face that we discussed. We talked about 6 bullet points and a small summary of each.
- Look over points we discussed about having hope in Allah (SWT). Think about the few bullet points and a small summary of each.
- Think about ways and things you can do to purify your soul and heart with the remembrance of Allah (SWT).
- Remember the five past nations in the Quran that were destroyed. Think about the Prophet associated with each nation and why they were destroyed
- What are some of the reasons that Allah (SWT) test us and what these tests mean to us
