

2nd Semester Final Study Guide Quranic Studies – Grade 3

For the Quranic studies portion of the final, students are to recite the following:

1. Last three verses of Surah Humaza
2. Recite all of Surah Asr
3. Recite the first four verses of Surah Takathur
4. All of Surah Takathur for extra credit (not required)

Of course, students should be reviewing every day prior to May 14th so they can fluently recite the verses. Surah Quraish, Surah Fil, and the first 6 verses of Surah Humaza won't be tested for this final. However, I still recommend parents to have their kids revise the verses that they memorized in all of third grade after the Sunday School academic year ends. Afterall, Quran

memorization and revision isn't only for Sunday School, it meant to be utilized and applied into our daily lives. Whether that's in praying our salah, reciting surahs to others, memorizing more verses of the Quran, etc. I encourage parents to push their kids to memorize more surahs outside of Sunday School so they can benefit in the long run insha'Allah.
