Preparation for the Job Fair

- Dress in business casual attire.
- Plan to arrive early to secure parking and familiarize yourself with the conference layout.
- Prepare your elevator pitch, relevant questions, and career goals beforehand.
- Bring copies of your resume and cover Letter. Although not always required, having them on hand can be beneficial if requested by potential employers. Also, please upload an updated copy to Radancy.
- While water will be available at the conference hall, staying hydrated by drinking beforehand or bringing a water bottle is advisable.
- Approach the job fair with an open mind. The field of education is competitive, so take the time to explore the opportunities offered by various represented employers, including school boards, private schools, and international employers.
