- **Research Employers:** Review the list of attending school boards, private schools, and international employers. Take note of the representatives you want to meet.
- **Prepare Questions in Advance:** Think about what you'd like to ask recruiters about their schools, opportunities, and hiring process.
- If you have questions for the recruiters before the fair, leave a **Drop-Off Note** in their virtual booth.

Preparation for the Job Fair

- **Dress Professionally:** Business casual attire is recommended.
- **Arrive Early:** Give yourself time to find parking, register, and get familiar with the layout of the event.
- **Have Your Pitch Ready:** Prepare a short introduction about yourself, your experience, and your career goals.
- **Bring a Resume:** While many recruiters will view resumes online, having a few printed copies can be useful if requested.
