G430 Surround Sound Gaming Headset

Comfortable gaming audio and communications, simplified.

- On-cable controls
- Dolby headphone 7.1 surround sound
- Lay-flat earpieces
- Sports performance cloth ear cups
- Lightweight design

Sound completes the picture. G430 Surround Sound Gaming Headset delivers 7.1 Dolby® Headphone surround sound in a lightweight design. The sports performance cloth ear cups mean a soft, comfortable fit even after hours of play. They slip off easily for washing to keep the headset in top shape. Crisp, clear chat comes from a noise-cancelling mic that folds away when not in use. And in-line volume and mute controls are in easy reach on the 3-metre cable.
