By including Signature in your estate plans, you are creating your very own legacy that will support the Theatre for years to come. Planning for the future will provide financial support that ensures that the Theatre's mission and community continue to thrive.

More than 100 people have joined the **Ever After Society** by including Signature in their estate plans since it was created. We hope you will join them to make a lasting impact on the Theatre as we serve, enrich, and inspire our community.

# FROM OUR MEMBERS

*"We have long believed that arts are very important to our society and culture. And, given that belief, we think we must provide whatever amount of support we can to keep the arts, particularly theater, alive and healthy."*

—CAROLYN HARRIS

*"I think the Ever After Society provides a final way for me to express my appreciation to Signature Theatre for the decades of theatrical excellence that I have enjoyed and to help ensure that future patrons will have the same experience. That is, after all, the purpose of estate planning, to thank those individuals and organizations that have been important in our lives."*

—ROBERT E. HEBDA
