

*The Pursued, The Pursuing, The Busy, and The Tired*

## Influenced by Influencers

Playwright Dani Stoller dove *deep* into the world of social media to create the world of social media influencers in *The Pursued, The Pursuing, The Busy, and the Tired*. The influencers below provided inspiration for the characters, language and story of the play. Check out these accounts before and after the show. How do you see their influence on the piece?

- 1.) [Addison Rae](#)
