AUDITION INFORMATION

When and where are the Auditions?

Auditions will be held at Signature Theatre from 3:30PM to 6:30PM on September 25. Interested student actors and technicians will be seen in the order they arrive, first come first serve.

What to do at Auditions?

For Actors, dress comfortably and bring your imagination. When it's your turn, we'll take you into the rehearsal room with other aspiring actors. We'll play some games, get to know you and lead you through some improvisational exercises. No stress. Only fun.

For Technicians, be prepared to come in and do a brief interview with Signature in the Schools Staff. We'll ask you questions about your work ethic, interest in design and technical work and your commitment to excellence.
