

FOOD & DRINK

There's probably no better representation of the diversity of the Bloomington community than the culinary scene. Pizza joints sit next to locally-sourced fine dining restaurants. Thai cuisine mingles nicely with American comfort foods. And you can wash it all down with a locally-made beer, wine, or spirit. So while there are national chains, the real flavors of Bloomington are served up at the local restaurants. Keep in mind, some restaurants come and go almost as quickly as the IU students, so be sure to check visitbloomington.com or contact the restaurant directly for updates. You can also find insider restaurant tips from the Bloomington Independent Restaurant Association (BIRA) at bloomingtonindependents.com.
