THINGS TO DO

The rolling hills, dense tree canopy, and limestone outcroppings are fundamental parts of the culture of this community. Dreams blossom among the towering tulip trees, and spirits are rejuvenated on the waters of Monroe Lake. But life is about balance: it's not just meditation or nature, it's also action. Bike the trails, take a few swings on the golf course, or hike deep into the woods for a rustic camping experience. Just get out there and breathe in the fresh air of the uplands.
