This year's show, "In the Heart of the Fire" explores the paradoxical gift of fire. We ask, "What makes us who we are? Is it our cleverness, the machines we forge and the towers we build? Or is it the stories we share and the fire in our hearts?" We tell tales of fire, of giants and trolls, of trickster creators and how we came to be human. Paperhand's yearly spectacle inspires young and old alike. Please check the paperhand website for any weather-related cancellations. Pre-Show at 2:20 PM. [paperhand.org/](http://paperhand.org/)

## **ROBIN FROHARDT PLASTIC BAG STORE**

**7:30 PM**

Current ArtSpace / 123 W Franklin St Chapel Hill (919) 843-3333

Admission: \$27. This is no ordinary store: All of the products that line the shelves are just plastic bags. There are bottles of bags, cans of bags, boxes of bags, and, of course, bags of bags, each product an original design, made from discarded plastic stuffed inside other discarded plastic, creating an endless cacophony of packaging. At night this store comes to life with live performers, dynamic sets, hidden worlds and inventive puppetry to tell a darkly comedic, sometimes tender story that explores how the plastic refuse we are leaving behind might be misinterpreted by future generations. Plastic Bag Store is a tragicomic ode to the foreverness of plastic. [www.carolinaperformingarts.org/](http://www.carolinaperformingarts.org/)
