## WHAT MEETING PLANNERS SAY ABOUT CHATTANOOGA

"I was the Local Committee Chairperson for the Society for Conservation Biology which held its annual conference in Chattanooga. Previous conferences were held in such places as Hawaii, New York City, Washington DC, England, and South Africa, so Chattanooga was definitely in good company. The Society chose Chattanooga because of our environmental turnaround, abundance of attractions and activities, and the quality of the meeting facilities. The fact that over 1,200 people from all over the world attended is testament to Chattanooga's appeal."

*Dr. David Aborn, Society for Conservation Biology*

"Chattanooga is a perfect example of what a city should be – clean, neat with fun things to do, great places to stay and very good restaurants."

*Rick Hartlein, Peachtree MG Registry*

"Chattanooga was a delightful location for our conference, the best that Southern hospitality has to offer. Our delegates from over 30 countries raved at the first class service they received with a "come on back now y'all!" attitude. So much to see and do - besides the work for our industry! Thank you Chattanooga."

*Tammy Seldon, MBA, CMP, Executive Director, Giant Screen Cinema*

"This is our favorite city in Tennessee to meet in. It is the easiest community to do business with. We receive the fastest response time and experience the least complicated contracting process. The professional staff is always ready and willing to meet our needs. Thanks for a great experience.....again!"

*Alice Ann Ferguson, Executive Secretary, Tennessee District Attorneys General Conference*

"You have set the standard! Not a single complaint! One could not possibly work with a better CVB or select a better city than Chattanooga. And there is not a better reunion site than the (host hotel)."

*Walt Hines, Air Rescue Association*

"The Number One comment from the members was: 'The best one so far.' This was the 27th annual. While planning I had the experience of talking to ongoing reunions at the (host hotel). Everyone I talked to was impressed by the hotel and Chattanooga in general. They and I have attended many other reunions. No other city we have been in had a free shuttle. The shuttle was used extensively by all of us to get around the city. This is a great plus for Chattanooga."

*James Kay, Army Otter-Caribou Association*

*SkillsUSA at the Chattanooga Convention Center*

***Tennessee's Career and Technical Student Organizations LOVE Chattanooga! Our FBLA, FCCLA, SkillsUSA, and TSA state conference attendees have enjoyed visiting the city so much that we decided to also move our DECA and HOSA conferences next year to Chattanooga. The Chattanooga Convention Center welcomes our student groups with open arms, and compared to other conference venues in Tennessee, this convention center is by far the easiest for our students to navigate, helping to ensure they get where and when they need to be throughout their events. Our attendees truly enjoy taking in Chattanooga's many family-friendly attractions, particularly the Tennessee Aquarium. And to top it all off, one of the biggest surprises that Chattanooga has to offer is an amazing variety of fabulous dining options, including the ever-popular Moon Pies!***

The Chattanooga Convention Center, located in the heart of downtown, offers 185,000 square feet of function space, all on one level. Column free exhibit space totals 100,800 square feet (total of four halls). There are 21 meeting rooms ranging in size from 812 to 1,800 square feet, which can be configured to space ranging in size from 1,624 to 5,400 square feet. The ballroom is 18,000 square feet. Loading in/out is made easy with 11 loading docks.

There are 2,500 hotel rooms either connecting or surrounding the Chattanooga Convention Center. An additional 8,500 hotel rooms are located 5 - 15 minutes from downtown.

The Chattanooga Convention Center incorporates “day lighting” technology in exhibit space and various meeting rooms. This technology allows sunlight to filter in through 30-foot ceiling openings and complement the building’s artificial light. This lighting has proven “mood-enhancing” capabilities. High speed Internet access and networking capabilities are available for conventions, trade shows and meetings. An award-winning chef works with local organic farms to bring healthy and seasonal food to the menu.

## WHAT SATISFIED PLANNERS SAY ABOUT THE CHATTANOOGA CONVENTION CENTER

"I have worked with hotels and convention centers throughout the Southeast, and the team at the Chattanooga Convention Center is among the best. Every employee of the Convention Center we encountered was courteous and went out of their way to provide excellent service for our meeting. The assembly attendees were quite taken with Chattanooga as a meeting site."

*Elaine Stewart, Director of Communication Resources  
ELCA - Southeastern Synod*

"The men's and women's events in the Tennessee Gymnastics State Championships are typically held in different locations. However, with Chattanooga's beautiful and spacious Convention Center, we were able to combine the championships under one roof which made it an even more spectacular event. The Center is conveniently located close to hotels, restaurants and attractions which made it even better for our attendees. We're excited that we won the bid to repeat the event in Chattanooga again. Our attendees from Memphis to Kingsport commented on how they looked forward to coming back because of Chattanooga's wonderful amenities. We all hope Chattanooga will become the permanent host for the State Championships!"

*Larry Denham, Owner of Tennessee Academy of Gymnastics & Meet Director  
Tennessee Gymnastics State Championships*

"We had a wonderful meeting - everyone enjoyed the city and the Convention Center. The next time the meeting is held in the East, I'll be voting for Chattanooga. In the meantime, my family and I will be frequent visitors."

*Wanda G. McKnight, RHIT, CAE  
Executive Director*

*Tennessee Health Information Management Association*

"Chattanooga has become an awesome destination city. If that weren't enough, the service and attention from the folks at the Chattanooga Convention and Visitors Bureau is a meeting planner's dream. They also have the best run convention center in my experience."

*Trish Patterson  
Tennessee Credit Union League*

# MEET CHATTANOOGA

## GETTING STARTED...

Use the local Convention and Visitors Bureau to help you plan your reunion. The Chattanooga Convention and Visitors Bureau represents the entire Chattanooga area and assists reunion planners by checking hotel rates and availability, suggesting activities, providing welcome bags and other printed materials. The Chattanooga Convention and Visitors Bureau is a one-stop-shop to start your reunion planning and these services are free of charge.

### **Choosing Your Dates**

Reunions can take place from one day to a week. Most reunions last two to three days and are usually held over a weekend. Decide on the length of time that is appropriate for your group and determine what dates are convenient for the majority of members. If you decide to schedule a reunion over a holiday, allow for extra traffic, crowds and higher airline costs. Hotel rooms should be blocked well in advance for a reunion planned over a summer holiday. Typically, reunions meet annually or every other year.

### **Plan Ahead**

Give yourself enough time to enjoy the reunion planning. If you are organized from the start, you'll have less stress.

- Determine who and how many will attend
- Decide when, where and how long to hold the event
- Decide on a budget and how expenses will be covered
- Determine pre-event promotion needs

# MEET CHATANOOGA

## MONTH BY MONTH GUIDE...

### 18-24 Months Before Reunion

- Survey reunion members and request information, opinions and ideas. Take a poll to determine reunion interest and dates convenient for the majority.
- Military reunions should determine if spouses, children or others will be included.
- Talk to other reunion organizers to get ideas on where to start the planning or attend a reunion workshop.
- Select your reunion dates and times.
- Organize a mailing list with contact, email and attendee information or create a reunion home page to let everyone update their own information. To build attendance, consider that you will need pre-mailers, invitations, follow-up mailings, advertising and more.
- Involve others in the planning and form reunion committees with schedules and responsibilities for each committee. Assign specific tasks to members such as budgeting, invitations, menus, activities and decorations.
- Develop a budget/bookkeeping system for the reunion. Consider all expenses, including airfare, hotel room, meals, activities, taxes, etc. Decide how much people would be willing to pay to attend the reunion.
- Choose a location based on the needs and desires of your group – is a central location best or would it be better to rotate locations? Where have you had the best attendance? Is the location easy to get to? What climate, attractions, amenities are offered?

### 12-18 Months Before the Reunion

- Schedule the reunion far enough in advance to allow people time to arrange their schedules. There will probably be some people who cannot attend on the chosen date, but it is better to stick with it if it is convenient for the majority. Remember that you may want to select the same date every year to build consistency.
- Name the final decision maker and make sure that contacts know who has the authority to approve plans, request changes, sign contracts, etc.

- Make a site visit to Chattanooga to help you choose the hotel best suited to your reunion. Make sure sleeping rooms, hospitality and banquet space meet your needs. Meet with sales, conventions services and catering to review contracts, meal functions and breaks. Try to visit at the same time of year you are planning your reunion.
- Be prompt in reserving your hotel so everything else falls into place. Most hotels have deadlines on how long they can hold rooms and meeting space. If you wait too long, everything will get booked and you are back to square one.
- Choose venues for offsite events – picnics, tours/attractions etc.
- Select a theme and use it in everything from invitations to decorations.
- Send out a “Save the Date” card or email with tentative reunion information – dates, times, schedule, estimated cost, directions and a response card.
- Reserve dates with your vendors well in advance - caterers, tour companies, entertainment and photographers.
- Before signing a contract, be sure everything you want is in writing.
- Schedule events and activities, including speakers, tours, dancing and a hospitality room. Use the survey responses as a guide in planning.

### **6-9 Months Before the Reunion**

- Send a second mailer or email outlining registration costs and including a tentative schedule and registration form with return address.

### **5 Months Before the Reunion**

- Confirm reservations for entertainment, photographer, caterer and hotels. The CCVB Convention Services Manager can provide you with a complete list of Chattanooga area vendors.
- Choose your menus, taking special dietary needs into consideration. Inform the catering staff. Decide if you want to have a cash or open bar.
- To increase attendance, post your reunion on reunion websites.

### **2-4 Months Before the Reunion**

- Meet with the hotel contact and visit event facilities with your reunion committee. Bring a list of prepared questions.
- Order printed items like T-shirts, awards, certificates, prizes, banners. Purchase decorations.

- Contact your CCVB Convention Services Manager to order welcome bags, discount coupon booklets, Visitors Guides and attraction information.

## **6 Weeks Before the Reunion**

- Give final assignments for reunion committees; finalize checklist and include dates tasks need to be finished.

## **2 Weeks Before the Reunion**

- Buy last minute decorations/supplies.
- Reconfirm meeting, hotel and meal accommodations with hotels – adjust contracts/room guarantees to reflect an accurate number of attendees.
- Get in touch with your CCVB Convention Services Manager to arrange pick-up or drop-off time for welcome bags, etc.
- Review final checklist. If there are uncompleted tasks, involve volunteers or other members to complete them.

## **The Day Before the Reunion**

- Get a list of hotel staff contacts.
- Go over last minute problems. Also, create a final checklist detailing tasks to be completed during the reunion.
- Set up decorations.

## **Reunion Day**

- Set up registration tables with name tags, welcome bags; set up rental equipment and displays.
- Take a vote on next year's reunion site and ask for volunteers. Survey what the favorite event was and when the group wants to meet again.

## **After the Reunion**

- Evaluate the reunion. Consider what worked and what did not and make appropriate changes for the next reunion.
- Send thank you notes to volunteers, hotel staff, caterers and committees
- Send a newsletter with reunion pictures to family members.

## DOWNTOWN & NORTH SHORE ELECTRIC SHUTTLE

423/629-1473  
[www.gocarta.org](http://www.gocarta.org)

IT'S ELECTRIC! IT'S FREE AND IT GETS YOU THERE.

Few cities can make the claim that convention delegates stepping out the front door of their hotels are at the front door of everything else downtown. Chattanooga can, thanks to the free shuttle system that connects all of our convention hotels with the Chattanooga Convention Center, the shopping district, restaurants, the riverfront and every block in between.

What's more, the shuttle is electric, so it moves people through downtown with zero emissions. No noise. No exhaust.

The shuttle is Chattanooga's method of getting people moved efficiently through the central business district with the Tennessee Aquarium anchoring one end and the Chattanooga Choo Choo at the other. The Downtown Shuttle runs about every five minutes seven days a week.

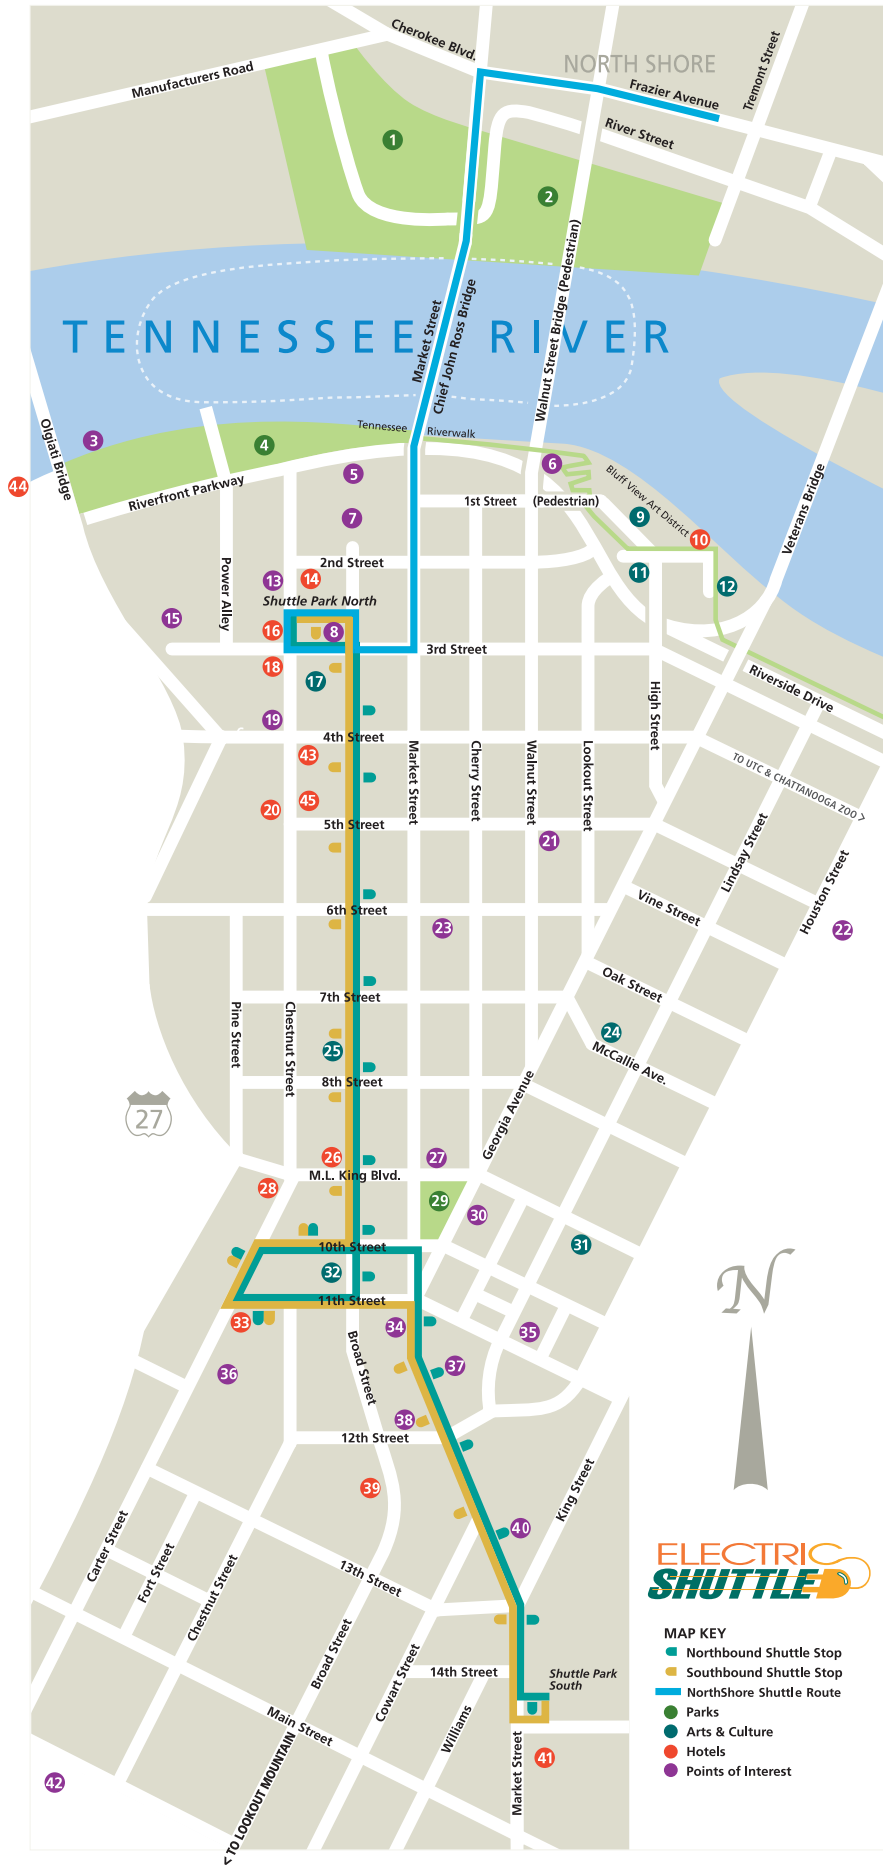

The NorthShore is serviced by the free NorthShore Shuttle, also operated with electric vehicles. The NorthShore Shuttle connects with the Downtown Shuttle in the plaza at Shuttle Park North and takes visitors across the Market Street Bridge to the historic NorthShore district, where they can enjoy fine dining, shopping and galleries. The NorthShore Shuttle runs about every fifteen minutes, Monday through Saturday.

Now in its twenty-fifth year of operation, CARTA continues to receive inquiries about their fleet of electric vehicles from interested officials from across the world. The shuttle is proof of Chattanooga's commitment to clean air for generations to come.
