Media

Get started today at
rootsrated.media

Share content effortlessly with RootsRated Compass Networks

Think about how much time marketers spend creating and sharing content: setting strategy, creating and assigning topics, recruiting and hiring writers, haggling over pay, chasing deadlines, copy and line editing, downloading images and text documents, copy-pasting from email to a CMS. The back-and-forth ends with RootsRated Compass. Manage content sourcing, distribution and measurement all in one platform. Let our experts upload or create content for you, and get a notification when it's ready. Additionally, you have access to our proprietary network of outdoor brand websites, including RootsRated.com.

Source

Upload existing content, license syndicated bundles, or use our professional editorial network to easily commission new articles.

Distribute

Gain access to our network of outdoor brand websites as well as RootsRated.com. Publish to social media and owned channels.

Measure

Extend your reach to new and difficult-to-reach audiences. Measure content impact and effectiveness in one place.
