The Talk Around Town!

The Story Behind the Boots

“These Boots are made for Talking” was a joint project of the Cheyenne Depot Museum Foundation and the Downtown Development Authority. The boots were sponsored by local businesses and auctioned at a fundraiser. The nearly \$100,000 raised went to the Cheyenne Depot Museum Endowment Fund to benefit the museum.

Each boot was painted by one or more of the area’s creative and talented artists. The theme of the project for the artists was “If this boot could talk, what story would it tell?” The audio tour provides the opportunity to hear just that from each artist: 307-316-0067.

“These Boots” remain a destination point for visitors and area residents alike.
