NEWVILLE/SHIPPENSBURG

Connected by the 11-mile Cumberland Valley Rail Trail, these two communities have a lot to offer in the way of historical attractions and small town charm. Shippensburg is the oldest town in the Cumberland Valley with strong ties to the Civil War, while Newville is proud of its numerous preserved homes, farms and churches reflecting the past. Stop by and visit the local shops and home-cooked restaurants for an authentic experience. Plan to slow down and relax as you travel through Amish farmland and rolling hills.
