Guidelines and Requirements

Applications from non-profit and government organizations will be given higher consideration than for-profit applicants. A for-profit business that receives a grant is required to treat the grant as income and is responsible for paying any applicable taxes.

This grant program is not an entitlement program. Awards will be merit based. Applicants should not assume that they will be awarded a grant on an annual basis, nor should they consider this grant program a permanent addition to their annual budget. Applicants that can communicate a compelling need that directly enhances CAEDC's tourism mission with quantifiable results will be given higher consideration.

Additional criteria may be required for your grant application. The award letter and agreement will clearly outline all criteria.

Once approved, a grant agreement will be mailed to the Grantee for execution. Upon execution of the grant agreement, programs must be executed and award amount must be used within 18 months of the award announcement date. If the funds are not expended within the 18-month period, the Grantee must inform the Senior Director of Marketing and Tourism in writing that the project has been canceled or to request an extension. CAEDC reserves the right to reject a request for extension and cancel the grant.

As a provision of accepting these funds, Grantees must provide adequate proof that the funds received were used for their intended purpose. CAEDC reserves the right to audit the Grantees records and use of funds.

A Final Project Report is required within 45 calendar days of the completion of the project. A template will be provided to the Grantee.

Grant funds will be awarded on a reimbursement basis unless otherwise stated in grant agreement. The last 10% of grant funds will not be released until the final report is received and approved by CAEDC.

Grantees that do not meet the post-award requirements will be deemed ineligible to apply for future cycle grant rounds.

Pennsylvania Prevailing Wage Act – In the event the Pennsylvania Prevailing Wage Act applies to this project, the Grantee, its subgrantees, contractors and subcontractors shall comply with the provisions, duties, obligations, remedies, and penalties of the Pennsylvania Prevailing Wage Act, 43 P.S. § 165-1 et seq. The general prevailing minimum wage rates, as determined by the Secretary of Labor and Industry, shall be paid for each craft or classification of all workmen needed to perform work on the Project during the term hereof for the locality in which the work is to be performed.

Grant Recognition

Grantees shall publicly acknowledge the support that the Cumberland Area Economic Development Corporation grant program provided through all reasonable vehicles as a stipulation of accepting such awards. Required recognition will be outlined in your award letter and agreement. CAEDC reserves the right to promote this grant program and the recipients as deemed appropriate or beneficial to the CAEDC. Any media obtained through this grant program must be shared with CAEDC for promotional use.
