Lehigh Valley Tourism

Our Mission

Discover Lehigh Valley builds the region's economy and image through destination marketing that increases the number of leisure and business visitors, the number of nights they stay, and the number of things they do in the two-county area. These marketing efforts also enhance the quality of life and sense of hometown pride for Lehigh Valley residents.

15.2 MILLION
people visited in 2015.

\$2 BILLION in economic
impact for the year—that's
\$5.5 MILLION every day.

23,000 jobs supported
by visitor spending.

*Partnerships
are what we do.*

In the world of destination marketing, more collaboration means more visitation. That's why **Discover Lehigh Valley®** has been teaming up with regional partners for years.

Dear Partner & Friends,

The numbers don't lie, nor should they be that surprising.

92.6% of travelers prefer to seek destination information on the internet.

75% of the average tourist's budget is spent or committed before they even leave home.

Travelers research and book travel online more than any other method. They go online for every part of their vacation, from the aspirational stage, to logistics and itinerary planning, to on-the-go research while they're there. That's why Discover Lehigh Valley puts so much focus on our web platforms, from mobile to desktop, social media, and, of course, the #1 website dedicated to tourism in Lehigh Valley, DiscoverLehighValley.com.

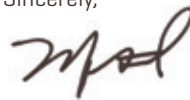

Our advertising, social media, and the must-read stories we place in the press promise a certain Lehigh Valley experience, and DiscoverLehighValley.com tells people how and where to get that experience.

And, we take that all one step further by creating advertising opportunities for businesses to further extend their reach and impact and get their message and brand out in front of more eyes and with more frequency, such as with our DLV-TV channel, digital newsletters, visitors guide, event sponsorships, and more.

Regardless of the medium, we use compelling words, photos, and videos ... we get people interested in visiting Lehigh Valley and coming to your business. Our new redesign of our responsive website and enhanced brand help us drive home authentic stories in a very visual style.

Inspiring people to experience Lehigh Valley. That's our goal, and that's what you can expect from our recommended advertising vehicles in promotion of tourism in Lehigh Valley.

Sincerely,

Michael Stershic, *President*
