CALLING ALL HISTORY BUFFS

Welcome to Elizabeth, NJ! While you are with us, we are going to show you the best of what the gateway to the state of New Jersey has to offer. We are history's best kept secret and we are ready to share a sneak peak with you! Along with tremendous American Revolutionary War history, Elizabeth is full of Alexander Hamilton history. Come discover what you didn't know, you didn't know! Elizabeth: It all started here!

Your excursion begins at Liberty Hall Museum. Tour the beautiful gardens and walk through history. Inside the museum, see where Alexander Hamilton lived and view authentic American historical artifacts dating back to the 1700s. Liberty Hall Museum brings history to life for guests of all ages to enjoy (even the tours are given in period-aged clothing!)

After you've walked through history, your excursion continues with a delicious lunch experience at one of our cultural restaurants!

After lunch, your excursion then proceeds to one of our two different Hamilton "hot-spots." Walking through one of the historical buildings visitors will explore where Hamilton slept, where George Washington dined on his way to his

Presidential Inauguration, and Elias Boudinot lived while he was the President of the Continental Congress.

The other historic Hamilton "hot-spot," is where guests will discover Alexander Hamilton's time spent studying in preparation for college. This part of the tour also consists of the building where the State of NJ started and the historic grounds containing one of New Jersey's oldest cemeteries.

After you've had as much excitement as you can handle, you'll be either dropped off at Newark Liberty International Airport, brought to you local Elizabeth hotel or back to Cape Liberty Cruise Port.

With only four and a half hours, you'll only be scratching the surface of the historical roots of Alexander Hamilton and the City of Elizabeth. There is so much more history that is waiting to be discovered by our visitors, and it will take more than one day. Extend your journey through time by staying in one of Elizabeth's 9 franchised hotels. This is a popular option that visitors continue to enjoy. Come, What will you discover?
