

# Welcome to Fort Wayne, Indiana

## Come Early, Stay Late

### Bring the Whole Family

Fort Wayne is one of the most family-friendly destinations in the country. In fact, our Fort Wayne Children's Zoo has been named one of the top five Children Zoo's in the nation. Add to that our Science Central children's museum and dozens of other family-friendly attractions, and you'll find fun for the whole family!

You'll also love our many smoke-free family centers, offering miniature golf, bowling, go-kart racing, laser tag, trampoline parks, and more!

### Discover Your Roots

While you're in town, you'll want to take an extra day or two to discover your family tree at The Genealogy Center - the largest public genealogical research library in the United States. Genealogists nationwide flock to The Genealogy Center - and you'll love it too! Whether you are a seasoned researcher, or even if you are just getting started, their staff will help you make the most of your trip.

## Stay (and Play!) Downtown

Fort Wayne's growing and exciting downtown offers fun for everyone, especially sports fans, who can catch an exciting baseball game at Parkview Field, home of the Fort Wayne TinCaps.

Enjoy a Broadway show or concert at the Historic Embassy Theatre before satisfying your taste buds at Club Soda, JK O'Donnell's or Don Hall's Old Gas House.

Located in the heart of downtown Fort Wayne, the Grand Wayne Convention Center is excited to host your group. Two first-rate hotels are connected to the Grand Wayne Convention Center, making it an easy adventure around downtown.
