

## Tips to Help Plan Your Visit

We're very pleased that you are going to visit The Genealogy Center, located in the Allen County Public Library in downtown Fort Wayne! We have a few tips to make your visit more productive and enjoyable:

- Be prepared by checking out their website at [GenealogyCenter.org](http://GenealogyCenter.org) and take a look at their book catalog ("Search the ACPL Catalog") and microtext catalog (under Databases > Free Databases > Microtext Catalog). This will give you a good idea about what you will start searching when you arrive.
- Bring a USB drive to which to save images digitally from computers, microtext, and books.
- Bring dollar bills for the copy machines.
- You may bring just about anything with you, files and notebooks, computers and tablets, scanner, camera, pens, pencils, etc. However, they do not allow any food or drink in the department. They may be stored in your bag, but not consumed in this area of the library.
- You might want to bring a sweater or light jacket. No matter the season, the rooms occasionally get a little cool.
- Wear comfortable shoes. The Genealogy Center covers about the same space as a football field.
- Want to schedule a free appointment with a genealogist in advance? Email [genealogy@acpl.lib.in.us](mailto:genealogy@acpl.lib.in.us) to get started.
