

Scavenger Hunt!

in Historic Downtown Fort Wayne

Stroll through downtown Fort Wayne and look up, down, and around at the architectural designs that so richly contribute to the defining character of our city. Fort Wayne's early architects and developers had a keen eye for subtle nuances that make so many of our buildings unique and valuable.

Boundaries:
LAFAYETTE STREET to the East;
SUPERIOR STREET to the North;
FULTON STREET to the West; and
WASHINGTON STREET to the South.

NOTE! These photos are in random order and some buildings may be represented more than once. Use the back of this Guide to record your answers as you identify the structure holding each of these architectural treasures. *Look carefully!* — in some cases, someone may be looking back at you!
