Reviewing and Responding to Leads

(Tourism Leads - View and Respond)

Opportunities / Leads:

Upon logging in, you will need to click the **Opportunities icon** which will display RFPs (Meeting and Tour Leads) sent by the FWCVB.

The filters in this grid determine what Leads are presented. You can change your filters to narrow your results. This is done by editing the filter fields and clicking the “Apply Filters” button. By Default, you will see all of your Open Leads and Opens Leads you have already bid on.

• LEAD STATUS DEFINITIONS

- **Closed / No Bid Sent:** These Leads can be Pending, Definite, Lost or Cancelled. The status signifies this is business your property did not bid on and the response due date has passed.
- **Open:** These are Leads in a pending status that your property has not bid on and the response due date has not passed.
- **Open / Bid Sent:** These are Leads in a pending status that your property has already placed a bid on and the response due date has not passed. In this status, you can update your response at any time.
- **Turned Down:** These Leads can be pending, Definite, Lost or Cancelled. The Turned Down status signifies you responded to the Lead, but stated you are not pursuing the business.
- **Closed / Decision Pending:** Your property has placed a bid, but the response due date has passed thus you cannot edit your response.
- **Closed / Lost to Another City:** These are Leads you were pursuing, but the business has been lost.
- **Closed Cancelled:** These are Leads where you won the business, but the group has cancelled.
- **Closed / Won:** These are definite Leads in which your property was selected.
- **Closed / Won - Properties TBD:** These are definite Leads but the group has not decided on a hotel yet.
- **Closed Lost:** These are definite Leads in which your property was not selected for the business.

Reviewing Leads

Below the filters section, you will see a data grid with all your Leads based on the selected filters. One of the more important column headings is the Group Type. This signifies if you are looking at a Meeting Sales or Tour Lead.

You are able to sort your list of leads by clicking on any of the column headers (i.e. Opportunity Name, Organization, etc.). Click on the Lead Name or ID to open and respond to the lead. All responses must be entered by the Hotel Responses Due Date.
