

# SGMP Reception

Tuesday, June 6, 2017 | 6:30pm - 8:30pm

Be inspired and network in style at the [Museum of Discovery and Science](#). Located in downtown Fort Lauderdale, the museum is one of the largest of its kind in Florida and has the most visitors of any museum in the state. Enjoy tropical entertainment and “Floribbean” cuisine in an interactive space where you can channel your inner-explorer. Discover the hidden mysteries of the human body or the universe with live exhibits. Take a ride on the Everglades Airboat simulator, or take a selfie with a giant megalodon shark.
