

Warm Welcome to National Speech & Debate Tournament

We are delighted to share the warmth and beauty of Greater Fort Lauderdale during your Tournament — a place where happy meets go-lucky.

From the moment you arrive to our diverse destination you are surrounded by blue skies, swaying palm trees, and a relaxed vibe.

Greater Fort Lauderdale offers a water culture that spans more than 300 miles, providing spectacular views of mega-yachts, mansions and Water Taxis with “dock n dine” options. Designer outlet shopping, music lounges, art and entertainment venues, plus hip neighborhoods with monthly art walks like FATVillage merge for a thriving day-to-night cultural scene.

Explore our culinary scene where best “foodie” finds are waiting to be discovered. From food trucks and craft beers to fine dining and celebrity chef-owned eateries, there’s no shortage of options for even the most discerning palate.

Kick off your shoes and slip into the beach chic vibe, where casual meets sophisticated and where endless experiences are waiting to be unleashed.

With warmest wishes for a productive and memorable stay.

Best regards,
