

Welcome

to the **Visitor Information Area**, an innovative collaboration between Experience Grand Rapids, Gerald R. Ford International Airport and Steelcase, Inc. This cool new space greets airport visitors in a way that reflects our impressive yet cozy community and allows them to access information about the Grand Rapids area.

Conventions and Corporate Groups can also utilize this area to welcome guests coming into town. Special tables can be set up for larger groups. For details or scheduling, contact Lisa Verhil: lverhil@ExperienceGR.com or (616) 233-3578.
