About the Center Opened in 1998, the Hawai'i Convention Center is Hawai'i's largest meetings facility. Conveniently located 8 miles from the Honolulu International Airport, near 28,000 guest rooms, as well as shopping, dining and entertainment venues.

Features Designed with a Hawaiian "sense of place" by Hawai'i-based architecture firm Wimberly Allison Tong & Goo (WAT&G) and LMN Architects.

Specifications Spanning 1.1 million sq. ft., the center is divided for ease of use, including exhibition space, parking facilities, meeting rooms and ballrooms – each on its own floor

Exhibit Hall More than 200,000 sq. ft. exhibition hall with drive-on floor access and 350 pounds per square foot floor load capacity

Meetings/Events 35,000 sq. ft. registration lobby
138,869 sq. ft. of total meeting space
35,000 sq. ft. ballroom (largest in the state)
47 meeting rooms including two theaters with tiered seating
2.5-acre landscaped rooftop garden
70-foot lobby waterfall

F&B 20,000 sq. ft. production kitchen
On-site catering

Parking 690 parking stalls

Tech Features Extensive fiber-optic and Cat-5 infrastructure with connection points in all meeting spaces and common areas
