"The staff at Visit Hendricks County could not have been more accommodating or easy to work with as we developed the tour and guided our travelers. All personnel went out of their way to assure that our two motor coaches were able to park and that our guests had their questions answered."

THE GREEN SPREE

This tour gives guests insight into ways they can reduce, reuse and recycle to improve our world. They can also enjoy nature and have a chance to purchase locally grown produce. Your travelers might make their own wind chimes, see suri alpacas, get environmentally friendly landscaping tips or go behind the scenes at an orchard.

ARTS AND CULTURE

Customize an arts and culture tour to suit your group. Your group can make a roving felt card with former **PBS television host Shirley Adams**. We can also arrange a personal cellar tour at **Chateau Thomas Winery**. In the fall, the **Artisan Marketplace** is a great way for your group to encounter many craftspeople under one roof.

HO HO HOLIDAY TOUR

Tour some of our best holiday offerings and unique shops. If your trip is scheduled the first Saturday in December, you can include the **Gingerbread Christmas Show**, Indiana's juried craft show showcasing more than 120 booths of original works of art by master artisans.

HUNGRY IN HENDRICKS

Our locally owned restaurants offer a variety of menus and styles to match any group's tastes. We can make arrangements for you to have all-inclusive pricing to make planning even easier. Many of our restaurants are part of **Indiana Foodways**, a nonprofit organization dedicated to the celebration, promotion and preservation of the authentic food culture of Indiana.
