LICENSEE SHALL DEFEND, INDEMNIFY, AND HOLD HFC HARMLESS DURING THE TERM OF THIS AGREEMENT AND FOR FOUR YEARS AFTER THE AGREEMENT TERMINATES. LICENSEE'S INDEMNIFICATION IS LIMITED TO \$500,000 PER OCCURRENCE. LICENSEE SHALL NOT INDEMNIFY HFC FOR HFC'S SOLE NEGLIGENCE.

14. Indemnification Procedures.

(a) Notice of Claims. If HFC or Licensee receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving party shall give written notice to the other party within thirty (30) calendar days. The notice must include the following: (i) a description of the indemnification event in reasonable detail, (ii) the basis on which indemnification may be due, and (iii) the anticipated amount of the indemnified loss.

This notice does not estop or prevent HFC from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If HFC does not provide this notice within thirty (30) calendar days, it does not waive any right to indemnification except to the extent that Licensee is prejudiced, suffers loss, or incurs expense because of the delay.

(b) Assumption of Defense. Licensee may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to HFC. Licensee shall then control the defense and any negotiations to settle the claim. Within ten (10) calendar days after receiving written notice of the indemnification request, Licensee must advise HFC as to whether or not it will defend the claim. If Licensee does not assume the defense, HFC shall assume and control the defense, and all defense expenses constitute an indemnification loss.

(c) Continued Participation. If Licensee elects to defend the claim, HFC may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations.

Licensee may settle the claim without the consent or agreement of HFC, unless it (i) would result in injunctive relief or other equitable remedies or otherwise require HFC to comply with restrictions or limitations that adversely affect HFC, (ii) would require HFC to pay amounts that Licensee does not fund in full, (iii) would not result in HFC's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

15. Force Majeure.

(a) The term "Force Majeure" shall include acts of God, acts of the public enemy, war, blockades, insurrections, riots, epidemics in the City of Houston, landslides, lightning, earthquakes, fires, storms, floods, tornadoes, hurricanes, explosions and other occurrences or conditions of like nature and shall further include a declaration of a state of emergency by the Mayor of the City of Houston, the Governor of the State of Texas, or the President of the United States of America. **Licensee acknowledges and agrees that Force Majeure shall not include inclement weather.**

(b) Either party may terminate this Agreement or suspend its obligations hereunder due to Force Majeure to the extent that such occurrence is beyond the reasonable control of the party whose performance is affected on such affected party's giving notice and full particulars to the other party of such Force Majeure as soon as practicable, but no later than seven (7) days after the occurrence of the cause relied upon.

(c) If this agreement is terminated due to Force Majeure, then the License Fee and Deposit previously paid by Licensee shall be refunded. **Licensee shall not receive a refund of the License Fee or credit of any kind if the Event is cancelled due to inclement weather.**

16. Default and Termination.

(a) Licensee shall be in default under this Agreement if (i) Licensee fails to observe any term of this Agreement, (ii) Licensee does not use and occupy the Facility for the purpose described in this Agreement, (iii) Licensee cancels this Agreement or some portion of the License Period, or (iv) Licensee assigns this Agreement without the prior written consent of HFC.

(b) If Licensee is in default, then HFC shall have the right, without further notice, to invoke any or all of the following remedies: (i) Terminate this Agreement and revoke the License granted hereunder, (ii) Institute legal proceedings against Licensee to recover any amount due under this Agreement and any damages sustained by HFC, (iii) Retain the License Fee and Deposit prepaid by Licensee as liquidated damages and not as a penalty (both parties hereto agreeing that damages from such a default are difficult to ascertain and that such amount is a reasonable forecast of just compensation for the harm to HFC resulting from such default by Licensee), (iv) Exercise any and all rights available at law or in equity.

17. Laws, Permits, Licenses, and Taxes. Licensee shall strictly comply with all applicable laws, rules and regulations including HFC's Code of Ordinances, as may be amended from time to time. This Agreement shall be construed in accordance with the laws of the State of Texas and is to be performed in Harris County, Texas. Licensee shall comply with and acquire any and all applicable federal, state and/or municipal permits or licenses required for the Event and shall pay all taxes of whatever nature becoming due by reason of its use of the Facility.

18. Notices. All notices to either party to the Agreement must be in writing and must be delivered by hand, United States registered or certified mail, return receipt requested, United States Express Mail, Federal Express, Airborne Express, UPS or any other national overnight express delivery service. The notice must be addressed to the party to whom the notice is given at its address set out in this Agreement or other address the receiving party has designated previously by proper notice to the sending party. Postage or delivery charges must be paid by the party giving the notice.

19. Survival. Notwithstanding the acceptance of the License Fee by HFC and the expiration of the License Period, Licensee shall remain obligated to HFC under all clauses of this Agreement that expressly or by implication survive such acceptance and the expiration of the License Period, including but not limited to the indemnification provisions in the Agreement.

20. Definitions. Terms defined herein shall have the same meaning in the Exhibit "A" Rules and Regulations. Terms capitalized herein, but not defined herein, shall have the meaning assigned to such terms in the Rules and Regulations.

21. Rules and Regulations. The Rules and Regulations are attached hereto as Exhibit "A" and made a part hereof for all purposes.

22. Entire Agreement. This Agreement and the Rules and Regulations, constitute the entire agreement between HFC and Licensee. No prior written or contemporaneous oral promises or representations shall be binding upon HFC. The Agreement shall not be amended or changed except by written amendment signed by HFC and Licensee. In the event of a conflict between this Agreement and the Rules and Regulations, this Agreement shall control.

23. Signatures. All copies of the signed Agreement must be received by HFC no later than **[Payment Date]**, or the License Period dates are subject to being released at the sole discretion of HFC. This Agreement shall be effective on the date of signature by HFC. Licensee and HFC have executed this Agreement in multiple copies, each of which is an original.
