**LOCAL IS BEST.  
FOOD IS LIFE.  
BEER IS YOUR BUDDY.  
WINE IS THE PARTY.**

Since the dawn of the 19th century, throughout the majestic yet rugged days of fur trading, gold mining and river boating, the desert region now known as Kamloops has been a hub and hotspot for thirst quenching and hunger quelling refreshment.

Not a whole lot has changed.

When cooking for yourself and others just won't do, there is a multitude of charming and delectable eateries, pubs and food trucks simply teeming with taste sensations. Pair everything with local beer, wine and cider, because you know...culinary expression and exploration.

**SO, THAT'S WHY KAMLOOPS  
PROMOTES SO MANY  
PHYSICAL ACTIVITIES...**

**#BALANCE #FOODIEPROBLEMS**

# SIP, SAVOUR, SLURP & SWIG.

Kamloops is not only great for hiking, biking and every other outdoor activity known to man, it also produces some pretty amazing wines. Travel throughout the Thompson Valley, lap up the beauty surrounding the North and South Thompson Rivers, and discover a bevy of bright, balanced and award-winning wines at one of our four wineries.

Sampling expertly crafted wines via local growers and wine makers is always an excellent choice. Indulge in Privato's 2012 Grande Reserve or Monte Creek Ranch Winery 2015 Hands Up Red, recently voted "the best" in their category at the BC Best of Varietal Wine Awards. You can drink at practically any time of the day, and say "SO what if it's 9am, and it's out of a coffee cup, Susan? This is a Privato Pinot!" Nobody in their right mind could argue. You're supporting the local economy, and that's just good for everybody.

# FRIENDS DON'T LET FRIENDS DRINK BLAH BEER.

If the brewpub is more your style, fear not! Kamloops is known for it's quirky, quaint, unassuming, and stylish sipping spots. Drink your way through our local craft brew options, or visit a tap house and experience craft beer creations from places near and far.

Beyond the beverages, soak in the sunshine on the Noble Pig patio, residing in a converted swimming pool. Visit Diana the black lab on the Red Collar patio while you sip suds and enjoy a game of Jenga or visit the bright teal building on the eclectic North Shore of the city and grab a bite to accompany your brew at Red Beard Cafe, they have 13 rotating taps of some of the best!

Taking in all that Kamloops has to offer can be thirsty work. Thankfully with our variety of craft brew options you never have to drink the same beer twice. So banish beer boredom, raise a glass and cheers to discovering a truly unique beer based experience.
