- To sort the contacts in view, select contact type from the filter box at the top of the page or sort by column choice by clicking the column you would like to sort by.
- To add a new contact, click "Add Contact" (left side of screen).

- To edit an existing contact, click the pencil icon ✏️ while viewing the Contact grid or click Edit while viewing the contact detail page. When editing a contact, the attached account name cannot be edited.

- To clone an existing contact, click the clone icon 📑 while viewing the Contact grid or click Clone while viewing the contact detail page. When cloning a contact, the contact name can be changed but the account name cannot.
