

Logging In/Getting Started

Logging In:

1. You will be sent an e-mail from Kansas Tourism with the link and a temporary password.
2. Click the link, which will take you to the “CRM Extranet” login screen.
3. Your username is your full e-mail address.
4. Your password is the temporary password that was e-mailed to you.
5. You will be asked to change your password to one of your preference. Click on the “Forgot Password?” link if you ever need to reset this.
