

# 94

## Days of Summer Fun Kansas City, KS

It's hard to believe there are only 94 days of summer. From the summer solstice (June 21) to when fall begins (Sept. 23), you only have 94 days to soak up the summer sun, spend time with family when life's a little less hectic, and get away from your everyday routines. Maximize this limited amount of time and squeeze in a vacation to create memories that will last a lifetime. We've created a list of 94 fun experiences in Kansas City, KS, to help you get going. It could take you 94 days to get through them all! Or if you only have a few vacation days (like most people do), challenge yourself to see how many of the activities you can accomplish during your Kansas City, KS, trip. Share your experiences with us on social media using #KCK94Days. Welcome to Kansas City, KS, and enjoy!
