

# Online Event Housing Tools for a Successful Event

At the Eugene, Cascades & Coast Sports Commission, we are committed to the success of your event and delighted to offer our sports planners a set of online tools that will make your event housing simple, seamless and stress-free.

## Online Hotel Reservations

## Dedicated Web Booking Engine

The booking website is customized for your event so your guests can enjoy the convenience of booking in your contracted block via the web.

## Mobile Booking

In addition, guests can make their hotel reservations via their iPhone, Blackberry or Android mobile device.

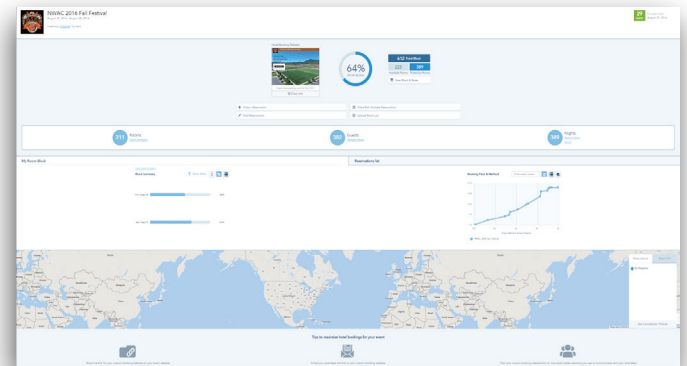

## Social Network for Your Event

Let your guests connect before, during and after the event via an existing social network on Facebook, Twitter or LinkedIn, or let us create a dedicated social network for the event.

## Multiple Bookings

For booking 10 or more rooms at once, use our Rooming List Feature to expedite the process. Request our Rooming List Excel document and leave the processing to us.

## Live Event Tracking

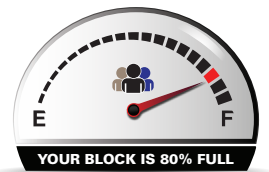

## Event Dashboards and Reports

Now you can track your room block productivity, run helpful reports and manage your own rooming lists on the event dashboard.

## Email Alerts

Automated email alerts make sure you have the right information at the right time, such as a weekly pick-up report, delegate list or an alert when a room block is 80% sold.

## Email Campaigns

Send professionally designed email campaigns to your event guest to share important information before, during or after the event.

# The Eugene, Cascades & Coast Sports Commission Housing Bureau can manage your lodging needs for any large Sports event.

Utilizing the integrated **Passkey GroupMAX** system, we can facilitate group housing seamlessly, saving you time and money while also generating revenue and helping to grow your event.
