# Hit the Trail

Greater Lansing is by nature a place of gutsy innovation and Midwestern grit. Home to a farm-to-table philosophy way before it was cool, it's no wonder the region adapted so seamlessly into the emerging wine, spirits and beer movement.

This craft movement, characterized by entrepreneurs creating small batches using traditional methods, ignores modern automated shortcuts to create pours of astounding quality.

We have brought together a growing number of the area's artisan wine, beer and spirit makers, mapped out a trail and dubbed it Greater Lansing's Makers & Shakers Trail.

Explore over a dozen facilities ready to pour you a glass of mid-Michigan's finest libations. For maps, events and to learn how to earn free swag visit [www.lansing.org/makers-shakers](http://www.lansing.org/makers-shakers).
