PRODUCTION & DESIGN REQUIREMENTS

File Format:

Accepted formats: .pdf, .png, or .jpg preferred. Adobe Illustrator (.ai), Adobe InDesign (.indd) and Adobe Photoshop (.psd) are also acceptable, but must be accompanied by *all fonts and links*.

PDF files: Files must be saved as a **PRESS READY PDF** at high-resolution (**300 dpi**). Files provided in PageMaker, QuarkXPress, or Microsoft Publisher are **NOT** acceptable and should be converted to the proper .pdf format before submission. **Ads created in Microsoft Word or Wordperfect are NOT acceptable, even if converted to .pdf.**

Color mode: File color mode set in **CMYK**. All spot colors should be converted to **CMYK**. Ads that require modification to conform to these specifications will be subject to an additional charge.

Image Quality:

Full color photos should be a minimum of **300 dpi**, placed at 100% size and saved as **CMYK**. **Images from the web are NOT acceptable for print.** If you are uncertain of the quality, contact Jan Pfeiffer about contacting an image specialist to review your photos (costs are typically small for color editing and scanning).

Production Charges:

Advertisements may be subject to an additional charge if the artwork is not provided digitally in the file format/programs specified above or if it is determined that your ad requires modification to design or typesetting. **If you need assistance designing an ad, contact Jan Pfeiffer for a list of graphic designers.**

File Checklist:

- File color mode set in **CMYK**, not RGB.
- All spot colors converted to **CMYK**.
- Images at least **300 dpi**, **CMYK**, not RGB.
- Use **Black** for text, not Automatic or Registration.
- Send file as **100% size**.
- Send file as **Press Ready PDF**.
