Social Custom Audience Targeting

Embracing Social

Social Survey – for Business Advertisers

- 91% of respondents use social media
- 90% are on LinkedIn and nearly half believe LinkedIn is the most effective client-getter
- 41% say they use Facebook more often than any other platform
- 64% say their use of social media part of an overall marketing strategy
- 5% say social media is very responsible for getting them new clients
- 54% think using social media for marketing is more hype than reality

Embracing Social

Keys to Win:

- Understand Its Importance "I don't use Facebook, so my customers don't use Facebook" or "People don't use Facebook to find companies like mine"
- Engage in Conversations Social networks are more than a one way channel for distributing content
- Prove the Return Analytics and tracking now makes it possible to prove ROI of both paid and unpaid social strategies
- Be Present If you don't have a social presence, you will get looked over. 47% of millennials say they use social media to make purchase / service buying decisions.

Branded Search

Own Your Brand

Ensure that high-value searchers for branded keywords are not redirected by active competitors

Branded search campaigns

on Google, Bing and Yahoo! represent an important part of B2B SaaS DR best practices, and result in 50%+ incremental clicks vs. organic results alone*

Retargeting Display

Stay Top of Mind

Retargeting allows brands to continue serving relevant ads to qualified, interested prospects who do not convert into leads in their first visit to the landing page.

The MVP Version

- Utilize the Google Display Network directly from your AdWords account
- Keep your frequency cap reasonably low (3x day, 15x week)
- Start with static ads in <u>top performing sizes</u>, graduate to animated ads
- Make sure you're A/B testing
- If you have video assets, set up a YouTube retargeting campaign

Lead Nurturing

Marketing Automation and Nurturing

"Marketing automation refers to software platforms and technologies designed for marketing departments and organizations to more effectively market on multiple channels online (such as email, social media, websites, etc.) and automate repetitive tasks."

So What?

- 95% of visitors are not ready to speak to you when they land on your site
- Marketing automation platforms can automatically perform visitor and lead follow up until that lead is ready to hire you

Examples: Marketo, Hubspot, Infusionsoft, Pardot

Foundational Best Practices

364

No More "Check-Box" Marketing

- As we've discussed, the goal of marketing is ROI, not activity
- This means that a list is not enough – the execution is as important as the tactic

Mobile First Web Experience

Changes:

- 2015: Google announces that mobile traffic finally overtook desktop traffic in 10 different countries
- Google released algorithm update to phase out sites not optimized for mobile
- Mobile usage is up 400% and tablet usage is up 1800%

Keys to Win:

- Make sure your website is mobile responsive
- Start thinking like a mobile user
- Make contact methods mobile friendly

Testing and Optimization

Keys to Win

- Keep it simple
 - Run a single test
 - Test a single variable
- Create landing pages for paid media for focused testing
- Test what matters
 - CTA or "Call to Action"
 - Images
 - Headlines
- Always Be Testing

Reviews and Feedback

Why?

- The most popular way that people find a ______ is through referrals with 46% of people asking family, a friend, or colleague for recommendations
- 88% of people trust online reviews just as much as a personal referral

Keys to Win:

- Create a way to collect reviews from your website
- Don't ignore negative reviews, respond to all negative reviews
- Make personal requests to your past clients
- Publish reviews on your website and solicit reviews on:
 - Yelp
 - Google
 - Facebook
