SEE MORE OF MONTEREY

In between conferences and meetings, take some time to be a tourist and explore Monterey. Minutes away from the conference center, you're surrounded by amazing natural beauty, great food and wine, and a vibrant historical culture that's one-of-a-kind.

A few steps from the conference center:

- Meet the locals. You'll spot sea otters, harbor seals and sea lions as you walk through Old Fisherman's Wharf. While there, stick around for happy hour and enjoy a seafood dinner fresh from the bay.
- Make new friends. Hop on a whale watching tour and catch a rare glimpse of one of the largest mammals on earth.
- Rent a paddleboat at Lake El Estero and paddle with the geese.
- On Tuesdays, check out the Farmers Market on Alvarado Street, where dozens of vendors bring in locally grown produce, handmade crafts and more.
- Create your own Path of History tour and peruse some of the area's oldest landmarks, like California's First Theatre, Custom House and Royal Presidio Chapel.
