

New Mexico MAGAZINE

Student Release of Claim

Welcome to the *New Mexico Magazine* **Subscriptions for Students** program. Your child is receiving a free monthly copy of *New Mexico Magazine* in the classroom as part of the program—and we hope you will also enjoy the magazine at home. The program is designed to encourage classroom and free-time learning about the history, culture, people, and geography of New Mexico.

Participating teachers would like to encourage students to express their responses to what they are learning by reading the magazine. We would like to encourage and reward that sort of interaction by sharing student feedback. This release ensures that we have your permission to do so, while protecting both your rights and ours.

Note: *If you have more than one child in the program, please fill out an individual form for each one so their teachers have individual records.*

I, _____ [YOUR NAME HERE] _____, the undersigned, do hereby acknowledge and agree to the following terms and conditions of this Release of Claim on behalf of my minor child _____ [CHILD NAME HERE] _____.

In consideration of my child participating in reading programs, essay contests, and other activities conducted as part of a teacher's curriculum based on content in *New Mexico Magazine*, I hereby irrevocably and forever release and discharge *New Mexico Magazine* and its employees ("Releasees"), and agree to hold Releasees harmless, from any and all legal and financial liability of any kind directly or indirectly associated with such participation.

I give to *New Mexico Magazine* unlimited permission to use, publish, republish for purposes of advertising, public relations, trade, or any other lawful use, photographic or digital images, written works, any media produced in association with this program and information about my child and reproductions of their associated work with or without his/her name, presuming that reasonable efforts are undertaken by Releasees to safeguard the necessary privacies granted to minor children.
