Welcome to CCMG Incoming.

With nearly 15 years of experience and as a highly professional and experienced organizer CCMG Incoming can assist you in the planning of meetings, conferences, conventions, post-convention tours and incentive programs, adventure excursions, custom-tailored programs and much more in Copenhagen and throughout the Oresund region as well as destinations as Sweden, Norway, Svalbard, Finland, Greenland, Iceland and the Faroe Islands.

CCMG Incoming offers much more than simply incentive travel programs. We can provide services for any type of meeting, congress/conference and seminar organizations and special events. In addition CCMG Incoming organizes post-conventions days, symposiums and dinner coordinated for groups of all sizes. CCMG Incoming intend to generate unique ideas to develop programs that will secure you the best incentive travel experience for your clients. CCMG Incoming has a broad local knowledge of social activities and incentive ideas as well as an in-dept understanding of the local meeting facilities, catering, transportation, interpreting services, registration and handling.

It is all about details. CCMG reduces the probability of unexpected incidents to happen by going through the whole process from the very first meeting through the whole event and after and we always have an experienced project manager taking care of all the details present during the whole event.

Whatever your needs, we would love the opportunity to make your event successful. We pride ourselves on prompt service and an immediate response and our primary aim is to generate unique ideas to develop programs that will secure you the best incentive travel experience of the many unique places Scandinavia has to offer for your next event.

Welcome to the surprising and beautiful North! Browse through our site and get inspired!
