

Thurston County Motorist Information Sign Program Application

Thurston County Public Works
9506 Tilley Rd SW
Olympia, WA 98512-9140

A business applying for motorist information signing must:

- Meet program eligibility criteria
- Pay associated fees to reimburse Thurston County for sign installation costs
- Is responsible to notify Thurston County when business closes or relocates
- Understands installation and maintenance of signs are to be completed by county staff. The business is responsible for notifying Thurston County when maintenance is needed and reimbursing Thurston County for applicable expenses
- Signs may be removed by Thurston County under the following conditions:
 - a) The business or services change and does not meet eligibility requirements;
 - b) The business or services closes or relocates;
 - c) The owner or designee does not provide timely response to inquires by staff on status of business or services
 - d) If sign(s) fall into desrepair as determined by Public Works staff; and
 - e) At the descretion of the Public Works Director

Read the eligibility criteria to ensure your business is eligible before submitting an application. Thurston County uses eligibility requirements from Washington Administrative Code (WAC) [468-70-050](#) and Argitourism Activities authorized under Thurston County Code (TCC) [20.08G](#). Failure to meet these requirements or other MIS program criteria may result in the removal of a business's signs.
