

FIREWORKS BANNED UP TO \$1,000 FINE

The Southern Shores Town Council adopted a resolution on Fireworks calling for strict enforcement of North Carolina State Law with respect to prohibited fireworks.

This action is a direct result of serious injuries and fires (structures and grass) on the Outer Banks caused by fireworks.

State Law bans buying, selling, possessing and discharging fireworks that detonate or explode, spin, or propel themselves through the air.

The Town of Southern Shores will enforce this law throughout the year. Violation is a Class 2 misdemeanor with a maximum fine of \$1,000 or up to 30 days incarceration.
