

Dear Park City Chamber Bureau member,

The 2017-18 winter season at Park City Mountain is almost here. After an incredible 16/17 season we can't wait to fire up our chairlifts for the upcoming winter season and hit the slopes. As a valued Chamber member we are again offering a special pass for you and your employees to enjoy our mountain.

Pass Product: Park City Merchant Pass, includes six Ski-With-A-Friend discount tickets

Price: \$639

Valid for: Unlimited skiing or riding at Breckenridge, Keystone, Afton Alps, Mt Brighton, Wilmot and Arapahoe Basin with limited restrictions at Park City Mountain, Northstar, Heavenly, and Kirkwood. Also includes 10 days combined at Vail, Beaver Creek and Whistler Blackcomb with holiday restrictions. Stowe and Perisher will **not** be included for the 17/18 ski season.

Restrictions: The pass is not valid at Park City Mountain, Northstar, Heavenly, Kirkwood, Vail, Beaver Creek and Whistler Blackcomb on the following dates: November 24 and 25, 2017, December 26 through 31, 2017, January 13, 2018 and February 17 and 18, 2018.

Requirements: Business must be a verified member of the Park City Chamber Bureau and must purchase the pass for the employee. The pass holder must be an active employee of the business (will need a letter from the business owner or a paystub dated within the last two weeks at time of pass pick up).

Deadline for employer to purchase: 01/31/2018

Transferability: Yes. Business may request a one-time transfer to another employee for \$100.

Voucher Option: The most convenient and efficient option to purchase the 2017/18 Merchant pass for your employees is to purchase Chamber pass vouchers. Instead of providing our office with a list of employees and all of their personal information, you just give the voucher to your designated employee for them to receive a season pass. **The employee must bring the voucher, personal ID, completed season pass application and current paystub** (or proof of employment from your company) to pick up their season pass. This also allows you to pre-purchase passes for employees that you have not hired yet as vouchers may be purchased through January 31, 2018 and refunded if not redeemed by April 1, 2018.

- Company purchases voucher
- Company designates voucher to a particular employee by writing name on voucher
- Gives voucher and season pass application to the employee
- Employee brings in voucher with current paystub, ID and completed Season Pass application to redeem pass

Chamber members still have the option to purchase Park City Merchant passes for known employees without vouchers.

With this option, please provide full names, birthdates, addresses, and email addresses or current season pass number of any employees you are purchasing passes for (to ensure we sell the pass under the correct account). We require a two week processing timeframe for these passes to be fulfilled.

HOW TO PURCHASE PASSES OR VOUCHERS: Please visit a season pass office at the Park City Base or Canyons Village Base Camp. Payment can be made via cash, company check or credit card. All pass holders will be required to complete a 2017/18 season pass application and sign the release of liability.

We look forward to seeing you on the mountain this season.
