In the event Tenant fails to properly exercise its right to terminate this Lease, Tenant shall be deemed to have waived such right. If the amount paid by Tenant to County during any Lease Year exceeds the amount due and owing for such Lease Year, County shall credit the overpayment in the following order: (a) against any past due amounts owed to County by Tenant, including interest and late fees; (b) against currently outstanding, but not yet due, rental payments owed to County by Tenant; and (c) against any other sums payable by Tenant to County. Notwithstanding the foregoing, in the event of an overpayment by Tenant during the last Lease Year, County shall credit the

County or its representative(s) shall make available to Tenant a copy of the audit prepared by or on behalf of County. The Security Deposit shall be kept in full force and effect throughout the Term of this Lease and any extension thereof and for a period of six (6) months after the termination of this Lease. Not less than forty-five (45) days prior to any expiration date of a Letter of Credit or Bond, Tenant shall submit evidence in form satisfactory to County that such security instrument has been renewed. Failure to renew a Letter of Credit or Bond or to increase the amount of the Security Deposit as required by this Section shall: (a) entitle County to draw down the full amount of such Security Deposit; and (b) constitute a default of this Lease entitling County to all available remedies. The Security Deposit shall not be returned to Tenant until all obligations under this Lease are performed and satisfied. 10.02 Interruption of Service. No failure, delay or interruption in supplying any utility services for any reason whatsoever (whether or not a separate charge is made therefore) shall be construed to be an eviction of Tenant or grounds for any diminution or abatement of rental or shall be grounds for any claim by Tenant under this Lease for damages, consequential or otherwise.

10.03 Water, Industrial and Sanitary Sewage Systems. Tenant acknowledges and agrees that Tenant shall satisfy all stormwater drainage requirements applicable to Tenant's development within the boundaries of the Premises and shall not use adjacent County-owned property to satisfy stormwater drainage requirements, unless approved by County by amendment to this Lease or by separate agreement or easement, which approval shall be in County's sole and absolute discretion. In the event County authorizes stormwater drainage requirements to be satisfied, in part, outside of the boundaries of the Premises on adjacent County-owned property, Tenant acknowledges and agrees that the first one-half (1/2) inch of stormwater runoff must be pretreated within the Premises prior to discharging into the primary drainage system to ensure that any potential releases of pollutants or contaminants with the Premises are controlled and isolated. The requirements of this paragraph shall not apply to any policy, a condition to which the policy specifically prohibits such an endorsement, or voids coverage if Tenant enters into such an agreement on a pre-loss basis.

11.11 Premiums and Proceeds. Tenant shall not keep, use, sell or offer for sale in or upon the Premises any article which may be prohibited by any, condition, provision, or limitation of the property, flood or wind insurance policies. 11.14 No Representation of Coverage Adequacy. Tenant acknowledges the limits, coverages and endorsements required by this Article are intended to minimize liability for County. Tenant agrees that it will not rely upon the requirements of this Article when assessing the extent or determining appropriate types or limits of insurance coverage to protect Tenant against any loss exposures, whether as a result of this Lease or otherwise.

ARTICLE 12 - DAMAGE TO OR DESTRUCTION OF PREMISES

12.01 Removal of Debris. If the Premises, or any portion thereof, is damaged by fire, the elements or other casualty, Tenant shall promptly remove all debris resulting from such

damage from the Premises. Tenant shall take all necessary actions to place the Premises in a neat and orderly condition to ensure the safety of persons entering upon the Premises. Tenant agrees that Tenant shall fully assume and be liable to County for payment of any costs incurred by County, plus a twenty-five percent (25%) administrative overhead fee, which costs and administrative overhead fee, shall be due and payable to County within thirty (30) days from the date of written notice provided by the Department.

The proceeds shall be disbursed at the direction of Tenant during construction to pay the cost of such work. If the amount of the insurance proceeds is insufficient to pay the costs of the required repair, replacement or rebuilding of damaged improvements, Tenant shall pay any additional sums required to complete the required repair, replacement or rebuilding into the escrow account. If the amount of the insurance proceeds is in excess of the costs of the required repair, replacement or rebuilding, the excess amount shall be remitted to Tenant.

Except as otherwise provided for herein, Tenant shall not, in any manner, mortgage, pledge or otherwise encumber this Lease, the Premises or any improvements now existing or hereinafter erected or constructed upon the Premises without County's prior written consent, which consent will not be unreasonably withheld, conditioned or delayed. Any such encumbrance without County's approval shall be null and void. Tenant shall cause to be removed any and all liens of any nature arising out of or resulting out of or resulting from the performance of any work or labor performed upon the Premises or the furnishing of any materials for use upon the Premises, by, on behalf of or at the direction of a Tenant Party. This provision shall be construed to include a prohibition against any mortgage, pledge, or encumbrance by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

Upon expiration of the **Initial Term** or earlier termination of this Lease, all buildings, structures, pavements, facilities, landscaping and other improvements, above and below ground, constructed or placed upon the Premises by Tenant, title to which has not previously vested in County hereunder shall become the absolute property of County, and County shall have every right, title, and interest therein, free and clear of any liens, mortgages, and other encumbrances. Upon the request of County, Tenant shall provide County with a bill of sale or other evidence of the transfer of ownership of the Tenant Improvements together with evidence satisfactory to County that the improvements are free from liens, mortgages and other encumbrances.

14.02 Survival. The provisions of this Article shall survive expiration or termination of this Lease.

ARTICLE 15 - EXPIRATION, DEFAULTS, REMEDIES AND TERMINATION

15.01 Expiration. This Lease shall automatically terminate at the end of the Initial Term, unless renewed in accordance with Section 3.02. In the event this Lease is renewed in accordance with Section 3.02, this Lease shall automatically terminate at the end of the Renewal Term.

15.02 Default. The occurrence of any one or more of the following events shall constitute a material default of this Lease by Tenant:

- (A) The vacating or abandonment of the Premises by Tenant.

- (B) The failure by Tenant to make payment of rental or any other payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of three (3) Business Days after such payment is due and payable.
- (C) The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, where such failure continues for a period of thirty (30) days after written notice thereof from County to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commenced such cure within such thirty (30) day period and thereafter diligently pursues such cure to completion. Nothing contained in this paragraph shall be deemed to alter or affect the cure period for performance of any covenant, condition or provision for which a specific time period is provided in this Lease.
- (D) To the extent permitted by law: (a) the making by Tenant or any guarantor thereof of any general assignment, or general arrangement for the benefit of creditors; (b) the filing by or against Tenant of a petition to have Tenant adjudged bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy [unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days]; (c) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or (d) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days.
- ~~(E) The failure by Tenant to observe or perform the requirements of Section 9.02, where such failure shall continue for a period of three (3) Business Days after written notice thereof from County to Tenant.~~

Notwithstanding any provision of this Lease, Tenant acknowledges and agrees the Department may require Tenant to immediately cease any activity, which could result in an airport hazard or endanger safety of any Airport user, as reasonably determined by the Department.

15.03 Remedies. In the event of a material default by Tenant, County may at any time thereafter, with or without notice or demand and without limiting any other right or remedy which County may have under the law by reason of such default or breach, elect to exercise any one of the following remedies:

- (A) Declare the entire rent for the balance of the Term or any part thereof due and payable forthwith, and bring an action for the recovery thereof.
- (B) Terminate Tenant's right to possession of the Premises by any lawful means and re-enter and re-take possession of the Premises for the account of Tenant, in which case the rent and other sums hereunder shall be accelerated and due in full, and Tenant shall be liable for the difference between the rent which is stipulated to be paid hereunder plus other sums as described herein and what County is able to recover from its good faith efforts to relet the Premises, which deficiency shall be paid by Tenant. Upon such reletting, all rentals received by County shall be applied, first to the payment of any indebtedness, other than rent due hereunder from Tenant; second, to the payment of any reasonable costs and expenses of such reletting, which shall include all damages incurred by County due to Tenant's default including, but not limited to, the reasonable cost of recovering possession of the Premises including reasonable attorneys' fees, and reasonable real estate commissions paid by County relating to the unexpired term of this Lease; third, to the payment of rent due and unpaid hereunder; and the remainder, if any, shall be paid to Tenant.
- (C) Treat this Lease as terminated and re-enter and re-take possession of the Premises for the account of County, thereby terminating any further liability under this Lease on the part of Tenant and County. Notwithstanding the foregoing, County shall have a cause of action to recover any rent remaining unpaid when County retakes possession of the Premises for the account of County.
- (D) Stand by and do nothing, holding Tenant liable for rental as it comes due.
- (E) Pursue any other remedy now or hereinafter available to County under the laws of the State of Florida.

Notwithstanding anything in this Lease to the contrary, County shall have the right to bring an action for its damages upon the occurrence of a default by Tenant and County reserves all rights which laws of the State of Florida confer upon a landlord against a tenant in default. Tenant hereby waives any additional notice Tenant may be entitled to pursuant to Florida law.

15.04 Termination by Tenant. Tenant may terminate this Lease, if Tenant is not in default of this Lease (including, but not limited to, its payments to County hereunder), by giving County sixty (60) days advance written notice, upon or after the happening of any one of the following events:

- (A) The default by County in the performance of any covenant or agreement herein required to be performed by County and the failure of County to remedy such default for a period of thirty (30) days after receipt from Tenant of written notice to remedy same; provided, however, that no notice of cancellation, as provided herein, shall be of any force or effect if County shall have remedied the default within such thirty (30) day period; or in the event the same cannot be cured within such thirty (30) day period and County has commenced such cure and thereafter diligently pursues the same until completion.
- (B) The lawful assumption by the United States Government or any authorized agency thereof, of the operation, control or use of the Airport and facilities, or any substantial part or parts thereof, in such a manner as to substantially restrict the operation of Tenant, for a period of at least ninety (90) days.

15.05 Default by County. County shall not be in default unless County fails to perform obligations imposed upon County hereunder within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to County, specifying wherein County has failed to perform such obligations; provided, however, that if the nature of County's default is such that more than thirty (30) days are reasonably required for its cure, then County shall not be deemed to be in default if County commenced such cure within such thirty (30) day period and thereafter diligently pursues such cure to completion.

15.06 Surrender of Premises. Tenant expressly agrees that it shall immediately surrender the Premises to County in good condition, upon expiration or termination of this Lease, depreciation and wear from ordinary use for the purpose for which the Premises were leased being excepted. In the event Tenant shall holdover, refuse, or fail to give up the possession of the Premises at the termination of this Lease, Tenant shall be liable to County for any and all damages, and in addition thereto, Tenant shall also be strictly liable to pay to County during the entire time period of such holdover, double rental, as provided for in Section 83.06, Florida Statutes. Tenant shall remove all of its personal property from the Premises prior to the expiration of this Lease. Any personal property of Tenant not removed by Tenant shall, at the option of County, become the property of County, or alternatively, may be disposed of by County at Tenant's expense.

ARTICLE 16 - ASSIGNMENT, TRANSFER AND SUBLETTING

Tenant shall not, in any manner, assign, transfer or otherwise convey an interest in this Lease, the Premises or any portion thereof ("Assignment"), without the prior written consent of County, which consent shall not be unreasonably withheld, conditioned or delayed. County shall not be deemed to have withheld its consent unreasonably unless County has been furnished evidence establishing that the proposed assignee: (a) has the ability to make the rental payments

required under this Lease; (b) has sufficient experience to operate the facilities constructed or to be constructed on the Premises in the manner required hereunder; (c) has the ability to otherwise perform all of the terms, conditions and covenants of this Lease; and (d) agrees to assume all obligations, responsibilities and liabilities of Tenant arising on and after the effective date of the Assignment. Any attempted Assignment without County approval shall be null and void. In the event County consents in writing to an Assignment, Tenant shall have the right to assign this Lease to the extent permitted by County's consent to such Assignment, provided that the use of the Premises shall be limited to the same uses as are permitted under this Lease. Any permitted Assignment shall be subject to the same conditions, obligations and terms as set forth herein. Tenant shall have the right to sublease the Premises subject to the prior written consent of County, which consent shall not be unreasonably withheld. All subleases shall be subject to the same conditions, obligations, and terms as set forth herein and Tenant shall be fully responsible for the observance by its subtenants of the terms and covenants contained in this Lease. Notwithstanding any provision of this Lease to the contrary, the consent of County shall not be required for an Assignment of this Lease in its entirety where all or substantially all of the assets of Tenant are acquired by another entity by reason of a merger, acquisition, or other business reorganization, provided that Tenant provides written notice to County ten (10) days prior to the change in ownership. County may freely assign this Lease at any time without the consent of Tenant, and upon assumption by such assignee of County's obligations hereunder, County shall be released from all liability and obligation arising hereunder upon such assignment.

ARTICLE 17 - RIGHTS OF LEASEHOLD MORTGAGEES

17.01 Right to Mortgage. Tenant may encumber its leasehold estate and interest in the Premises by mortgage, security agreement or other such instrument (any such instrument is hereinafter referred to as "Leasehold Mortgage", and the holder thereof is referred to as "Leasehold Mortgagee") during the Term of this Lease; provided, however, that the entire proceeds of any loan or future advance secured thereby shall be utilized for the construction and improvement of the Premises and further provided that County shall not be obligated to, nor deemed to have subjected or subordinated County's fee simple interest in the Premises to any Leasehold Mortgage, nor subordinated County's interest in this Lease to such Leasehold Mortgage. County's interests in the fee and this Lease are and shall remain at all times superior and prior in right to any Leasehold Mortgage.

17.02 Notice of Default. A Leasehold Mortgagee may provide written notice of its Leasehold Mortgage in the same manner and at the same address as required by this Lease for notices delivered to County, together with the name and address of the Leasehold Mortgagee. In the event such notice is delivered to County, County, upon serving Tenant with any notice under this Lease, shall also serve a copy of that notice upon the Leasehold Mortgagee in the same manner as required by this Lease for notices delivered to Tenant. The delivery shall be made at the address the Leasehold Mortgagee shall have designated in writing to County. County agrees to give the Leasehold Mortgagee written notice of any default by Tenant and of County's intention to terminate this Lease for any reason at least sixty (60) days before the effective date

of such termination. The Leasehold Mortgagee shall have the right to perform any of Tenant's covenants or to cure any default by Tenant which is curable by it or to exercise any right conferred upon Tenant by the Terms of this Lease within such sixty (60) day period or such longer period if the default by Tenant is of such nature that it cannot be cured within such sixty (60) day period, provided that the Leasehold Mortgagee diligently and actively undertakes to cure such default and pursues such cure to completion within a reasonable period of time under the circumstances. The sole remedy available to Leasehold Mortgagee due to the failure of County to provide Leasehold Mortgagee with notice as required hereunder shall be the tolling of the applicable cure period afforded to Leasehold Mortgagee herein until the earlier of provision of such notice to Leasehold Mortgagee or Leasehold Mortgagee's receipt of actual knowledge of such notice. County's failure to provide Leasehold Mortgagee notice as required hereunder shall not alter or affect Tenant's rights or obligations under this Lease, nor extend any cure period afforded to Tenant hereunder, or entitle Tenant to damages or other remedies.

17.03 Opportunity to Cure. County will recognize the Leasehold Mortgagee as the tenant of the Premises and accept the performance by the Leasehold Mortgagee of Tenant's obligations under this Lease, upon written notice from the Leasehold Mortgagee to County that it has taken possession of the Premises, for so long as the Leasehold Mortgagee is in possession of the Premises, and provided that Leasehold Mortgagee diligently and actively undertakes to cure and pursues such cure to completion within a reasonable period of time under the circumstances any then existing defaults by Tenant, and performs Tenant's obligations under this Lease. County agrees that it will not unreasonably withhold or delay its consent to any future assignment by the Leasehold Mortgagee of the rights of Tenant under this Lease; provided that: (a) there is no existing default under this Lease or the Leasehold Mortgagee or such assignee diligently and actively undertakes to cure any such default and pursues such cure to completion as provided above, and (b) the assignee has similar recent experience and knowledge regarding operations being conducted on the Premises and has the financial ability to perform under this Lease, as reasonably determined by County. Upon any valid permitted assignment of this Lease by the Leasehold Mortgagee, Leasehold Mortgagee shall have no further liability under this Lease for obligations arising after such assignment. Any action by the Leasehold Mortgagee to cure any default by Tenant or otherwise to exercise Tenant's rights under this Lease shall not be deemed to be an assumption by the Leasehold Mortgagee of Tenant's obligations under this Lease unless the Leasehold Mortgagee takes possession of the Premises pursuant to a foreclosure or other enforcement of its security interest in this Lease or otherwise expressly assumes such obligations in writing. If the Leasehold Mortgagee takes possession of the Premises or succeeds to the interest of Tenant, County shall accept the Leasehold Mortgagee as tenant under this Lease, and this Lease shall continue in full force and effect, provided that there are no then existing uncured defaults under this Lease, and Leasehold Mortgagee performs all obligations of Tenant under this Lease.

17.04 No Lease Amendments. This Lease shall not be amended, modified, terminated or canceled by reason of the exercise of any option or election by Tenant under this Lease, or by the giving of any notice by Tenant under this Lease, unless such amendment, modification,

termination or cancellation is assented to in writing by any Leasehold Mortgagee. Any such attempted amendment or modification, termination or cancellation without that assent shall be void.

17.05 Limitation of Liability. A Leasehold Mortgagee shall only be liable to perform the obligations imposed on Tenant in this Lease during the period that the Leasehold Mortgagee is in possession or ownership of the leasehold estate created by this Lease.

17.06 Certificates. Each party agrees, at any time and from time to time upon not less than twenty (20) days prior written notice by the other party, to execute, acknowledge and deliver to the other party a statement in writing certifying: (a) whether this Lease is in full force and effect, and if it is alleged that this Lease is not in full force and effect, setting forth the nature thereof in reasonable detail; (b) whether this Lease has been supplemented or amended, specifying the manner in which it has been supplemented or amended; (c) the date to which all rental payments have been made; (d) the commencement and expiration date of this Lease; and (e) whether or not, to the best of the knowledge of the signer of such statement, the other party is in default or may be with notice or the passage of time, or both, in keeping, observing or performing any term, covenant, agreement, provision, condition or limitation contained in this Lease and if in default, specifying each such default, it being intended that any such statement delivered pursuant to this paragraph may be relied upon by the other party, any prospective assignee of the other party's interest in this Lease or any Leasehold Mortgagee, but reliance on such certificate may not extend to any default as to which the signer shall not have had actual knowledge.

17.07 Subordination of Landlord's Lien. County does hereby subordinate its statutory landlord's lien to the lien and operation of any Leasehold Mortgage. This subordination of County's lien shall be self operative.

17.08 Release of Lien. Upon the scheduled expiration or early termination of this Lease, provided such termination is in accordance with the terms of this Lease including, but not limited to, this Article, Tenant and/or Leasehold Mortgagee, as appropriate, shall promptly execute, in recordable form, and deliver to County, a termination of lease, termination of memorandum of lease, release of mortgage and such other documents as County may reasonably require (collectively, the "Release Documents"). In the event Tenant or Leasehold Mortgagee fails to provide the foregoing Release Documents within thirty (30) days after County's written request therefor, County shall be entitled to execute the same for and on behalf of Tenant and/or Leasehold Mortgagee and Tenant and Leasehold Mortgagee hereby appoint County as attorney in fact for the limited purpose of execution of such Release Documents.

17.09 Indemnification. By acceptance of the rights and benefits conferred upon a Leasehold Mortgagee by this Article, such Leasehold Mortgagee agrees, for itself and its successors and assigns, that it shall be bound by the terms of this Article as if such Leasehold Mortgagee were a direct party hereto and further agrees to protect, defend, reimburse, indemnify

and hold the County Parties harmless from and, against any and all Damages arising from to the Leasehold Mortgagee's negligence or willful misconduct in connection with its entry upon the Premises for inspection or other purposes.

17.10 Personal Property. Notwithstanding any other provision of this Lease to the contrary, Tenant may, without County's or Department's consent, from time to time, secure financing or general credit lines and grant the lenders thereof, as security therefor: (a) a security interest in Tenant's personal property located at the Premises, and/or (b) the right to enter the Premises to realize upon any personal property so pledged. Upon Tenant providing notice of such financing to County, County agrees to evidence its consent in writing to such security interest. All of Tenant's personal property shall be and remain the personal property of Tenant. County expressly waives its statutory and common law landlord's liens as same may be enacted or may exist from time to time and any and all rights granted under any present or future laws to levy or distrain for rent, whether in arrears or in advance, against the aforesaid personal property of Tenant on the Premises and further agrees to execute any reasonable instruments evidencing such waiver (upon Tenant's request).

ARTICLE 18 - INDEMNIFICATION

Tenant agrees to protect, defend, reimburse, indemnify and hold the County Parties free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including attorney fees at trial and appellate levels) and causes of action of every kind and character (collectively referred to herein as "Damages") against, or in which County is named or joined, arising out of this Lease or use or occupancy of the Premises by any Tenant Party, including, but not limited to those arising by reason of any damage to property or the environment, or bodily injury (including death) incurred or sustained by any party hereto, or of any party acquiring any interest hereunder, and any third or other party whomsoever, or any governmental agency, arising out of or incident to or in connection with a Tenant Party's acts, omissions or operations hereunder, or the performance, non-performance or purported performance of a Tenant Party or any breach of the terms of this Lease; provided, however, Tenant shall not be responsible to a County Party for Damages that are solely attributable to the negligence or willful misconduct of such County Party. Tenant further agrees to hold harmless and indemnify the County Parties for any fines, citations, court judgments, insurance claims, restoration costs or other liability resulting from or in any way arising out of or due to a Tenant Party's activities or operations or use of the Premises whether or not Tenant was negligent or even knowledgeable of any events precipitating a claim or judgment arising as a result of any situation involving the activities. This indemnification shall be extended to include all deliverers, suppliers, furnishers of material, or anyone acting for, on behalf of or at the request of Tenant. Tenant recognizes the broad nature of this indemnification and hold-harmless provision, and acknowledges that County would not enter into this Lease without the inclusion of such clause, and voluntarily makes this covenant and expressly acknowledges the receipt of Ten Dollars (\$10.00) and such other good and valuable consideration provided by County in support of this

indemnification in accordance with the laws of the State of Florida. The obligations arising under this Article shall survive the expiration or termination of this Lease.

ARTICLE 19 – EXTERIOR SIGNAGE

Tenant may install and operate upon the Premises, at Tenant’s sole cost and expense, signs representing the businesses operating on the Premises. Tenant covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signage on the Premises, Tenant shall submit to County the size, design, content, and intended location of each and every sign it proposes to install on or within the Premises for County’s prior written approval. No signs of any type shall be installed on or within the Premises without the prior written approval of County as to the size, height, design, content, and location. Handwritten, hand lettered and hand held exterior signs are prohibited. County shall have the right to require Tenant to remove any unapproved signage. In the event Tenant fails, refuses or neglects to remove any unapproved signage within a fifteen (15) days of County’s written notice to do so, County may also elect, at its sole option, to cause such signage to be removed on behalf of and for the account of Tenant. Tenant shall reimburse County the actual cost of such removal services, plus a twenty-five percent (25%) administrative overhead within thirty (30) days of the date of the invoice therefor. County’s failure to require removal of any sign placed on or about the Premises without written permission shall not be deemed a waiver of County’s authority to require removal of any unapproved sign.

ARTICLE 20 - LAWS, REGULATIONS AND PERMITS

20.01 General. Tenant agrees that throughout the Term and any extension thereof, Tenant shall at all times be and shall remain in full and complete compliance with all applicable Federal, State and local laws, statutes, regulations, rules, rulings, orders, ordinances and directives of any kind or nature but not limited to, as now or hereafter amended, including, but not limited to, TSA directives, FAA Advisory Circulars and Airport Rules and Regulations.

20.02 Permits and Licenses Generally. Tenant agrees that it shall, at its sole cost and expense, be strictly liable and responsible for obtaining, paying for, and maintaining current, and fully complying with, any and all permits, licenses and other governmental authorizations, however designated, as may be required at any time throughout the Term of this Lease or any extension thereof by any Federal, State or local governmental entity or any court of law having jurisdiction over the operations and activities conducted on the Premises by Tenant, including ensuring that all legal requirements, permits, and licenses necessary for, or resulting directly or indirectly from, Tenant’s operations and activities on the Premises have been obtained and are in full legal compliance. Upon the written request of County, Tenant shall provide to County certified copies of any and all permits and licenses which County may request.

20.03 Air and Safety Regulation. Tenant agrees that it shall conduct its operations and activities under this Lease in a safe manner, shall comply with all safety regulations of the

Department and with safety standards imposed by applicable Federal, State and local laws and regulations and shall require the observance thereof by all Tenant Parties transacting business with or for Tenant, resulting from, or in any way related to, the conduct of a Tenant's business on the Premises. Tenant shall procure and maintain such fire prevention and extinguishing devices as required by County and by law and shall at all times be familiar and comply with the fire regulations and orders of County and the fire control agency with jurisdiction at the Airport, as same may now exist or hereafter come into being. Tenant hereby agrees that neither Tenant, nor employee or contractor or any person working for or on behalf of Tenant, shall require any personnel engaged in the performance of Tenant's operations to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his or her health or safety, as determined by standards adopted pursuant to the Occupational Safety and Health Act of 1970, as same may be amended from time to time, as well as all State and local laws, regulations, and orders relative to occupational safety and health.

20.04 Environmental and Natural Resource Laws, Regulations and Permits.

- (A) Notwithstanding any other provision of this Lease to the contrary, Tenant hereby expressly covenants, warrants, guarantees and represents to County, upon which County expressly relies, that Tenant is knowledgeable of, and shall fully comply with, any and all Environmental Laws applicable to Tenant and its operations hereunder.
- (B) Tenant acknowledges that, if its operations involve the generation, processing, handling, storing, transporting and disposal of Hazardous Substances, such operations may be subject to regulation under applicable Environmental Laws. Tenant further expressly covenants, warrants, guarantees and represents that it is fully qualified to handle and dispose of any and all such Hazardous Substances, in a manner which is both safe and in full compliance with any and all applicable Environmental Laws.
- (C) Tenant hereby expressly assumes and accepts full responsibility and liability for compliance with all such applicable Environmental Laws in the handling and disposal of any and all Hazardous Substances resulting from or arising out of Tenant's operations conducted on the Premises, and Tenant shall, prior to commencement of any such operations pursuant to this Lease, secure any and all permits, and properly make all necessary notifications as may be required by any and all governmental agencies having jurisdiction over parties or the subject matter thereof. Tenant further represents, warrants, guarantees and covenants to County, upon which County hereby expressly relies, that Tenant and any Tenant Party required to be so trained working for, or on behalf of, Tenant have been, or will be prior to commencement of operations on the Premises, fully and properly trained in the handling of all such Hazardous Substances, and that such training, at a minimum, complies with any and all applicable Environmental Laws.

- (D) Tenant shall provide to County satisfactory documentary evidence of all such requisite legal permits and notifications, as hereinabove required and as may be further required, upon request, from time to time by County.
- (E) If Tenant is deemed to be a generator of hazardous waste, as defined by applicable Environmental Laws:
 - (1) Tenant shall obtain an EPA identification number and the appropriate generator permit and shall comply with all requirements imposed upon a generator of hazardous waste, including, but not limited to, ensuring that the appropriate transportation and disposal of such materials are conducted in full compliance with Environmental Laws;
 - (2) Tenant shall maintain an accurate inventory list (including quantities) of all such hazardous waste, whether stored, disposed of, or recycled, available at all times for inspection at any time on the Premises by County;
 - (3) Tenant shall notify the Palm Beach County Solid Waste Authority, Palm Beach County Environmental Resources Management Department, and such other appropriate agencies as County may from time to time designate, of all Tenant's hazardous waste activities, if any; and
 - (4) Tenant shall provide to the Department, Risk Management Department - Safety Division, and to all appropriate governmental entities having jurisdiction thereover, contact information for its emergency coordinator in case of any spill, leak, or other emergency situation involving hazardous, toxic, flammable, and/or other pollutant/contaminated materials.
- (F) Violation of any part of the foregoing provisions or disposal by Tenant of any Hazardous Substances in violation of the provisions of this Article shall be deemed to be a default under this Lease and shall be grounds for termination of this Lease unless cured within ten (10) days of receipt of notice from County or as expeditiously as possible if the default cannot be completely cured within the ten (10) day period. Tenant shall be strictly liable for, and hereby expressly assumes all responsibility for all citations, fines, environmental controls and monitoring, clean-up and disposal, restoration and corrective measures resulting from or in any way connected with the improper use, handling, storage, and/or disposal of Hazardous Substances by a Tenant Party on or from the Premises, regardless of whether or not a default notice has been issued and notwithstanding any other obligations imposed upon Tenant pursuant to the terms of this Lease. All such

remedies of County with regard to environmental requirements as set forth herein shall be deemed cumulative in nature and shall survive expiration or termination of this Lease.

- (G) Tenant agrees to protect, defend, reimburse, indemnify and hold the County Parties harmless from and against any and all Damages arising from, resulting out of or in any way caused by or connected to a Tenant Party's failure to comply with applicable Environmental Laws. Tenant understands that this indemnification is in addition to and is a supplement of Tenant's indemnification agreement set forth in Article 18. Tenant acknowledges the broad nature of this indemnification and hold-harmless clause and that County would not enter into this Lease without the inclusion of such clause, and voluntarily makes this covenant and expressly acknowledges the receipt of Ten Dollars (\$10.00) and such other good and valuable consideration provided by County in support of this indemnification in accordance with laws of the State of Florida. The obligations arising under this Section shall survive the expiration or earlier termination of this Lease.

20.05 Environmental Assessment. At least one hundred twenty (120) days, but no more than one hundred eighty (180) days, prior to the expiration or earlier termination of this Lease, Tenant shall cause a Phase I Environmental Assessment (the "Phase I EA") of the Premises to be prepared and delivered to County. If requested by County or, if the Phase I EA indicates that there is a potential that environmental conditions may exist on the Premises or the adjacent property based on activities of a Tenant Party occurring on or after the Effective Date of this Lease, Tenant shall promptly cause a Phase II Environmental Assessment of the Premises to be prepared and delivered to County. The EAs shall be prepared by a professional geologist or engineer licensed by the State of Florida, acceptable to County, and shall be prepared to meet the standards of practice of the American Society of Testing and Materials, to determine the existence and extent, if any, of Hazardous Substances on the Property. The EAs shall state that County is entitled to rely on the information set forth in the EAs. The EAs shall be prepared and delivered to County at Tenant's sole cost and expense. The Phase II EA must address any potential environmental conditions or areas of contamination identified in the Phase I portion of the assessment. Tenant shall, at its sole cost and expense, promptly commence and diligently pursue to completion any assessment, remediation, clean-up and/or monitoring of the Premises necessary to bring the Premises and/or adjacent property into compliance with Environmental Laws. The requirements of this paragraph shall be in addition to any other provisions of this Lease relating to the condition of the Premises and shall survive the termination or expiration of this Lease. Nothing in this Section shall be construed as obligating Tenant to remediate any condition identified in the County Environmental Assessments or caused by the activities of a County Party.

ARTICLE 21 - AMERICANS WITH DISABILITIES ACT

Tenant shall comply with all applicable requirements of the Americans with Disabilities Act, the State of Florida Accessibility Requirements Manual, and Section 504 of the Rehabilitation Act of 1973 and all implementing rules, regulations and orders, including, but not limited to 28 CFR Parts 35 and 36 and 49 CFR Parts 27 and 37, and shall cooperate with County to ensure Tenant remains in compliance with such requirements throughout the Term of this Lease.

ARTICLE 22 - DISCLAIMER OF LIABILITY

COUNTY HEREBY DISCLAIMS, AND TENANT HEREBY RELEASES THE COUNTY PARTIES, FROM ANY AND ALL LIABILITY, WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY, NEGLIGENCE AND NUISANCE), FOR ANY LOSS, DAMAGE, OR INJURY OF ANY NATURE WHATSOEVER SUSTAINED BY ANY TENANT PARTY DURING THE TERM OF THIS LEASE OR ANY EXTENSION THEREOF INCLUDING, BUT NOT LIMITED TO, LOSS, DAMAGE OR INJURY TO THE IMPROVEMENTS OR PERSONAL PROPERTY OF A TENANT PARTY THAT MIGHT BE LOCATED OR STORED ON THE PREMISES, UNLESS SUCH LOSS, DAMAGE OR INJURY IS CAUSED BY A COUNTY PARTY'S SOLE NEGLIGENCE OR IS CAUSED BY COUNTY'S BREACH OF ITS OBLIGATIONS UNDER THIS LEASE. THE PARTIES HERETO EXPRESSLY AGREE THAT UNDER NO CIRCUMSTANCES SHALL COUNTY BE LIABLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL, OR EXEMPLARY DAMAGES WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY, NEGLIGENCE, AND NUISANCE), SUCH AS, BUT NOT LIMITED TO, LOSS OF REVENUE OR ANTICIPATED PROFITS OR ANY OTHER DAMAGE RELATED TO THE LEASING OF THE PREMISES PURSUANT TO THIS LEASE.

ARTICLE 23 - GOVERNMENTAL RESTRICTIONS

23.01 Federal Right to Reclaim. In the event a United States governmental agency shall demand and take over the entire facilities of the Airport or the portion thereof wherein the Premises are located for public purposes for a period in excess of ninety (90) days, either party may terminate this Lease by providing written notice of such termination to the other party and the parties shall thereupon be released and fully discharged from any and all liability hereunder arising after such termination or as a result thereof. This Section shall not act or be construed as a waiver of any rights Tenant may have against the United States as a result of such taking.

23.02 County Tax Assessment Right. None of the terms, covenants and conditions of this Lease shall in any way be construed as a release or waiver on the part of County, as a political subdivision of the State of Florida, or any of the public officials of County, of the right to assess, levy, and collect any ad valorem, non ad valorem, license, personal, intangible, occupation, or other tax which shall be lawfully imposed on the Premises, the business or property of Tenant.

23.03 Height Restriction. The height of all temporary and permanent structures, objects of natural growth and other obstructions (“Obstructions”) on the Premises, including, but not limited to, lighting poles, flag poles, signage, promotional displays and cranes and other similar equipment, shall be limited to such height so as to comply with 14 CFR Part 77, as now or hereafter amended. All Obstructions to be constructed or installed on the Premises shall be reviewed by the FAA prior to construction or installation. In no event shall any Obstructions be constructed or installed on the Premises, which are determined by the FAA to be an airspace obstruction or to pose a potential threat to air navigation. All Obstructions shall be consistent with the Palm Beach County Airport Zoning Ordinance (as codified in Article 16 of the Palm Beach County Unified Land Development Code), as now or hereafter amended. Upon notification by County that any Obstruction located on the Premises is adversely affecting air navigation or has resulted in a notice from the FAA or Florida Department of Transportation or has resulted in complaints from pilots operating aircraft at the Airport, Tenant shall immediately take whatever action is necessary to mitigate or removes such Obstruction. In addition to any other remedies provided for herein, Tenant agrees that County shall be entitled to engage in self-help in the event of: (a) any violation of this Section of this Lease; or (b) a determination by County and/or the FAA that an Obstruction located on the Premises is adversely affecting air navigation. Without limiting the generality of the foregoing, Tenant acknowledges that County shall be entitled to enter the Premises and address the Obstruction, which may include, but is not limited, trimming or removing trees.

23.04 Right of Flight. County hereby reserves unto itself and its successors and assigns, for the use and benefit of the public, the right of flight for: (a) the passage of aircraft in, through, and across the airspace above the surface of the Premises, together with the right of the aircraft to make noise and exhaust emissions, light, vibrations, radio, television and other electromagnetic emissions and other effects as may be necessary for or incidental to the operation of aircraft; (b) navigation of or flight in said airspace; and (c) aircraft landing on, taking off from or operating at the Airport. Tenant on behalf of itself, and its subtenants, successors and assigns, hereby waives, releases and forever discharges County and its elected officials, officers, employees, agents, attorneys, consultants, representatives, successors and assigns from all claims, demands, judgments, orders, awards, liabilities, costs, attorney's fees, causes of action, administrative proceedings and lawsuits of every kind, nature or description, whether known or unknown, fixed or contingent, which County or any person claiming through or under it ever had, now has or hereafter may acquire, upon or by reason of the exercise of the rights reserved herein. It is further agreed that County shall have no obligation whatsoever, now or at any time in the future, to avoid or mitigate damages arising as a result of the exercise of the rights reserved herein or the operation of the Airport.

23.05 Operation of Airport. Tenant expressly agrees for itself, its sublessees, successors and assigns, to prevent any use of the Premises, which would interfere with or adversely affect the operation, maintenance or development of the Airport, or otherwise constitute a hazard to air navigation. Notwithstanding any provision of this Lease to the contrary Tenant, for itself and its sublessees, successors and assigns, agrees that County shall be entitled to self-help in the event a

of an immediate hazard to the flight of aircraft over the Premises exists upon the Premises. Without limiting the generality of the foregoing, Tenant acknowledges that County shall be entitled to enter the Premises and physically remove or mitigate the hazard, at Tenant's expense. In the event Tenant fails to promptly mitigate a hazard or adverse effects on air navigation following notification from County, Tenant shall reimburse County for any and all costs and expenses incurred by County in exercising its self-help rights hereunder, plus a twenty-five percent (25%) administrative overhead fee, which costs, expenses and administrative overhead fee shall constitute Additional Rent hereunder and shall be due and payable within thirty (30) calendar days of the date of the Department's written notice. Tenant acknowledges and agrees that the right of self-help shall be in addition to any and all remedies available under the law and this Lease, including, but not limited to, immediate injunctive relief, both temporary and permanent, and the right of specific performance.

23.06 Release. Tenant acknowledges that noise and vibration are inherent to the operation of Airport and hereby releases County from any and all liability relating to the same.

23.07 Exclusive Rights. Except as otherwise provided for in this Section 23.07, Tenant understands and agrees that the rights granted under this Lease are nonexclusive, other than the exclusive right of use of the Premises, and that County may grant similar privileges to another lessee or other lessees on other parts of the Airport.

23.08 Hazardous Wildlife Attractants. Tenant shall be prohibited from using the Premises in a manner which attracts, or has the potential to attract, hazardous wildlife to or in the vicinity of the Airport. Tenant acknowledges that water detention and retention areas are considered wildlife attractants and shall request the approval of the Department prior to constructing new water detention or retention areas, or modifying existing water detention or retention areas within the Premises. If approved by the Department, water detention or retention areas shall be in compliance with the siting, design and construction requirements of the Department. Tenant further agrees to comply with the provisions of FAA Advisory Circular No. 150/5200-33, as now or hereafter amended, as such circular is interpreted by the Department.

ARTICLE 24 - NON-DISCRIMINATION

24.01 Non-Discrimination in County Contracts. Tenant warrants and represents to County that all of its employees are treated equally during employment without regard to race, color, national origin, religion, ancestry, sex, age, familial status, marital status, sexual orientation, gender identity and expression, disability, or genetic information. Tenant has submitted to County a copy of its non-discrimination policy, which is consistent with the above, as contained in Resolution R-2014-1421, as amended, or in the alternative, if Tenant does not have a written non-discrimination policy, it has acknowledged through a signed statement provided to County affirming their non-discrimination policy conforms to R-2014-1421, as amended.

24.02 Federal Non-Discrimination Covenants.

- (A) Tenant, for its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:
- (1) In the event facilities are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the nondiscrimination acts and regulations listed in the Nondiscrimination Authorities (as hereinafter defined), as may be amended, such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.
 - (2) No person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of County property, including, but not limited to, the Premises.
 - (3) In the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.
 - (4) Tenant will use the Premises in compliance with all other requirements imposed by or pursuant to the Nondiscrimination Authorities.
- (B) In the event of breach of any of the above nondiscrimination covenants, County shall have the right to terminate this Lease and to enter, re-enter, and repossess the Premises, and hold the same as if this Lease had never been made or issued. This Lease shall not be terminated pursuant to this paragraph until the procedures of 49 CFR Part 21 are followed and completed, including, the exercise or expiration of appeal rights.
- (C) For purposes of this Article, the term “Non-Discrimination Authorities” includes, but is not limited to, the non-discrimination statutes, regulations and authorities listed in Appendix “E” of Appendix “4” of FAA Order 1400.11, Non-discrimination in Federally-Assisted Programs at the Federal Aviation Administration, as may be amended.
- (D) Tenant shall comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed,

color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision obligates Tenant for the period during which Federal assistance is extended to the Airport through the Airport Improvement Program. In cases where Federal assistance provides, or is in the form of personal property; real property or interest therein; structures or improvements thereon, this provision obligates Tenant for the longer of the following periods: (a) the period during which the Property is used by County or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (b) the period during which County or any transferee retains ownership or possession of the Property.

24.03 Airport Concession Disadvantaged Business Enterprises (“ACDBE”). This Lease may be subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR Part 23. It is the policy of County that ACDBEs shall have the maximum practicable opportunity to participate in the performance of contracts. Tenant agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. Tenant agrees to include the aforementioned statement in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements.

ARTICLE 25 - COUNTY NOT LIABLE

County shall not be responsible or liable to Tenant for any claims for compensation or any losses, damages or injury whatsoever sustained by Tenant resulting from failure of any water supply, heat, air conditioning, electrical current, or sewerage or drainage facility, or caused by natural physical conditions on the Premises, whether on the surface or underground, including stability, moving, shifting, settlement of ground, or displacement of materials by fire, water, windstorm, tornado, hurricane, act of God or state of war, civilian commotion or riot, or any cause beyond the control of County. All personal property placed on or moved on to the Premises shall be at the sole risk of Tenant. County shall not be liable for any damage or loss of any personal property placed or moved on to the Premises.

ARTICLE 26 - AUTHORIZED USES ONLY

Notwithstanding anything to the contrary herein, Tenant shall not use or permit the use of the Premises or the Airport for any illegal or improper purpose or for any purpose which would invalidate any policies of insurance, now existing or hereafter written on the Premises or the Airport for County or Tenant.

ARTICLE 27 - MISCELLANEOUS

27.01 Waiver. The failure of either party to insist on strict performance of any of the agreements, terms, covenants and conditions hereof shall not be deemed a waiver of any rights or remedies that either party may have for any subsequent breach, default, or non-performance, and neither parties' right to insist on strict performance of this Lease shall be affected by any previous waiver or course of dealing.

27.02 Subordination.

- (A) Subordination to Bond Resolution. This Lease and all rights granted to Tenant hereunder are expressly subordinated and subject to the lien and provisions of the pledge, transfer, hypothecation or assignment made by County in the Bond Resolution, and County and Tenant agree that to the extent permitted by authorizing legislation, the holders of the bonds or their designated representatives may exercise any and all rights of County hereunder to the extent such possession, enjoyment and exercise are necessary to insure compliance by Tenant and County with the terms and provisions of this Lease and Bond Resolution.
- (B) Subordination to State/Federal Agreements. This Lease shall be subject and subordinate to all the terms and conditions of any instrument and documents under which County acquired the land, of which the Premises are a part, or improvements thereon, and shall be given only such effect as will not conflict with nor be inconsistent with such terms and conditions. Tenant understands and agrees that this Lease shall be subordinate to the provisions of any existing or future agreement between County and the United States of America or State of Florida, or any of their agencies, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of state or federal funds for the development of the Airport.

27.03 Easements. Nothing in this Lease shall impair any existing utility easements, nor impair the right of access to any existing utility lines. County reserves the right to grant easements, licenses and rights-of way to others over, under, through, across or on the Premises reasonably necessary for the development, operation or provision of utility services to adjacent County-owned properties; provided that such grant is not materially detrimental to the proper conduct of Tenant's operations. The County agrees to cooperate in good faith with Tenant to determine the appropriate location of such easements, licenses and rights-of-way in an effort to avoid unnecessarily impacting Tenant's operations. Tenant agrees to consent and join to such easements, licenses and rights-of-way upon the written request of County.

27.04 Independent Contractor. Tenant or any successor in interest to this Lease, is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions, and County shall in no way be responsible therefor.

27.05 Governmental Authority. Nothing in this Lease shall be construed to waive or limit County's governmental authority as a political subdivision of the State of Florida to regulate Tenant or its operations. County's obligations under this Lease are made in a proprietary capacity, rather than in a governmental capacity and such agreements shall not be construed as limiting, prohibiting or eliminating the obligation of the parties to comply with all applicable rules, regulations, ordinances, statues and laws, nor to alter or impair County's governmental functions, including, but not limited to, County's right to lawfully exercise its regulatory authority over the development of the Premises, nor as enabling, permitting, or creating any cause of action or claim arising out of the lawful exercise of County's governmental authority.

27.06 Rights Reserved to County. All rights not specifically granted Tenant by this Lease are reserved to County.

27.07 Invalidity of Clauses. The invalidity of any portion, article, paragraph, provision, clause or any portion thereof of this Lease shall have no effect upon the validity of any other part or portion hereof.

27.08 Governing Law. This Lease shall be governed by and in accordance with the laws of the State of Florida.

27.09 Venue. Venue in any action, suit or proceeding in connection with this Lease shall be filed and held in a State court of competent jurisdiction located in Palm Beach County, Florida.

27.10 Notices. All notices and elections (collectively, "notices") to be given or delivered by or to any party hereunder, shall be in writing and shall be (as elected by the party giving such notice) hand delivered by messenger, courier service or overnight mail, telecopied or faxed (provided in each case a receipt is obtained), or alternatively shall be delivered by the United States Postal Service, Certified Mail, with Return Receipt Requested. The effective date of any notice shall be the date of delivery of the notice if by personal delivery, courier services or overnight mail, or on the date of transmission with confirmed answer back if by telecopier or fax if transmitted before 5PM on a Business Day and on the next Business Day if transmitted after 5PM or on a non-Business Day, or if mailed, upon the date which the return receipt is signed or delivery is refused or the notice designated by the postal authorities as non-deliverable, as the case may be. The parties hereby designate the following addresses as the addresses to which notices may be delivered, and delivery to such addresses shall constitute binding notice given to such party:

27.11 Inspector General. County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of Tenant, its officers, agents, employees and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

27.12 Paragraph Headings. The heading of the various articles and sections of this Lease are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Lease or any part or parts of this Lease.

27.13 No Recording. Neither this Lease, nor any memorandum or short form hereof, shall be recorded in the Public Records of Palm Beach County, Florida, without the prior written consent of the Department.

27.14 Binding Effect. The terms, conditions and covenants of this Lease shall inure to the benefit of and be binding upon the parties hereto and their successors, assigns and subtenants, if any. This provision shall not constitute a waiver of any prohibition against or limitations regarding assignment or subletting.

27.15 Performance. The parties expressly agree that time is of the essence with respect to the performance of every provision of this Lease in which time of performance is a factor.

27.16 Construction. No party shall be considered the author of this Lease since the parties hereto have participated in extensive negotiations and drafting and redrafting of this document to arrive at a final Lease. Thus, the terms of this Lease shall not be strictly construed against one party as opposed to the other party based upon who drafted it. In the event that any section, paragraph, sentence, clause, or provision hereof, shall be held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Lease and the same shall remain in full force and effect.

27.17 No Broker. Tenant represents and warrants that Tenant has not dealt with any real estate salesperson, agent, finder or broker in connection with this Lease and further agrees to indemnify, defend and hold harmless County from and against any claims or demands of any such salesperson, agent, finder or broker claiming to have dealt with Tenant. The foregoing indemnification shall include all costs, expenses and fees, including reasonable attorney's fees plus cost at trial and all appellate levels, expended or incurred in the defense of any such claim or demand. The obligations set forth in this paragraph shall survive the termination of this Lease.

27.18 Public Entity Crimes. As provided in Section 287.132-133, Florida Statutes, by entering into this Lease or performing any work in furtherance hereof, Tenant certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the Effective Date.
