

Notice of Proposed Airport Concession Disadvantaged Business Enterprise FY 2018-2020 Overall Goal for the Palm Beach International Airport

Disadvantaged Business Enterprise (ACDBE) Participation Goals for Non-Car Rental Concessions and Car Rental Concessions for Federal Fiscal Years 2018-2020. The goals and methodology were developed in accordance 49 CFR Part 23.

Based upon a review of historical information and a review of the relative availability of ACDBE firms within PBI's historic market area for the individual concession opportunities, a Non-Car Rental Concession Goal of 8.6% and a Car Rental Concession Goal of 3.19% for Federal Fiscal Years 2018-2020 will be submitted to the Federal Aviation Administration (FAA) for approval.

As a part of the goal setting process, the Palm Beach County Department of Airports will be hosting a Consultation Meeting to discuss its overall Disadvantaged Business Enterprise (DBE) Goal. The meeting will be held at 9:30 a.m. on November 17, 2017, at the Department's Administrative Offices, 846 Palm Beach International Airport, West Palm Beach, FL 33406-1470.

The purpose of this Consultation Meeting is to seek information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for ACDBE's, and the Department's efforts to establish a level playing field for the participation of ACDBE's in Department contracts and projects.

Interested persons are encouraged to attend the Consultation Meeting or submit written comments to Martha LaVerghetta, Airports Compliance Manager, at mklaverghetta@pbia.org on or before November 17, 2017.
