

The background of the entire page is a vibrant, abstract pattern. It consists of various organic shapes, such as circles, ovals, and irregular polygons, outlined in thick black. These shapes are filled with a variety of colors including bright blue, orange, green, purple, and yellow. The overall effect is reminiscent of a stained-glass window or a modern, colorful mosaic.

DOWNTOWN

MAP & DIRECTORY 2017·2018

A publication of the Downtown Phoenix Partnership
and Downtown Phoenix Inc.

Welcome to Downtown Phoenix!

From award-winning restaurants to exciting sports events and concerts, Downtown Phoenix is the epicenter of fun things to do in the area. Come see for yourself—**the door is open.**

ABOUT THE COVER

Historically, visual cues like glass skyscrapers, large concrete garages and people wearing suits clearly identified Downtown Phoenix as a business and commerce center. But during the last decade, it has developed into so much more than that. Over time, downtown started looking younger, staying up later, and growing into a much more diverse and interesting place. The vibrant street art and mural scene represents some of those dynamic changes. Splashes of color, funky geometric patterns and thought-provoking portraits grace many of the buildings and businesses around downtown. From street art to fine art, murals are becoming a major source of Downtown Phoenix pride.

ABOUT THE ARTIST

JB SNYDER

The 1960s and '70s revolutionized popular music, and some of the album covers from that time were just as cutting-edge. Drawing inspiration from the colorful and psychedelic images associated with the classic rock era, artist and muralist JB Snyder uses continuous lines, bright colors and hidden images to add a sense of musicality and intrigue to his designs. He got his start in the Arizona hip-hop and DJ scene in the early 2000s doing live painting, and eventually took his style from the canvas to the street. From abandoned buildings to boring beige walls, he strives to add a sense of life and vibrancy into everything he paints.

Downtown Phoenix HOMELESS OUTREACH

WHO WE ARE

Downtown Phoenix Inc. is a nonprofit working to promote the continued revitalization of downtown. We care about everyone in our urban center, including the homeless, which is why we want to help connect those in-need with available services.

WHAT WE DO

Through a partnership with Community Bridges Inc., the Downtown Phoenix Ambassadors help refer those in-need to vital assistance programs including substance abuse treatment, shelter, housing, meals, jobs and healthcare.

By collaborating with various organizations in the Phoenix area, we hope to reduce homelessness in our city.

HOW TO GET IN TOUCH

If you see someone who needs assistance, have a question, see a safety concern or want to lend a hand — contact us! Wearing orange shirts with “Ask Me” on the back, Ambassadors are available seven days a week, every day of the year.

Call or text: 602-495-1500
Email: ambassadors@dtphx.org
Hours: Monday-Thursday 6:30 a.m.-10 p.m.
 Friday 6:30 a.m.-11 p.m. • Saturday 8 a.m.-11 p.m.
 Sunday 8 a.m.- 10 p.m.

PANHANDLING INFO:

- Not all panhandlers are homeless
- Most would prefer a minimum-wage job
- Panhandling is legal and protected by the freedom of speech
- The money donated may contribute to a life-threatening addiction
- Your donation could help or harm — there is no way of knowing
