†† Suggest Hall C not be utilized independently.

The Upper Level Exhibition Hall offers 190,000 square feet of virtually column-free exhibit space with a 300 pounds/square foot weight capacity. Columns are located on the east and west perimeters of the hall and have a clear span of 237 feet through the center of the space. The Exhibition Hall's concrete floor is scored on a 10' x 10' grid and features a 30' x 30' utility grid to expedite the move-in process. Three permanent, double-sided Metro Bistros provide convenient dining options for guests on this level.

Accessible by a semi-truck ramp with a clearance height of 16 feet, the 300 Level loading dock has 20 truck bays, three ramps and three convenient roll-up doors (22'Wx16'H, 22'Wx16'H and 28'Wx17'H). Gasket-sealed truck bays provide temperature-controlled move-in during inclement weather. The level also features a dedicated dock office, and three show offices that overlook the show floor. Trucks with a wheelbase of 73 feet or less can access the Exhibition Hall floor on this level.

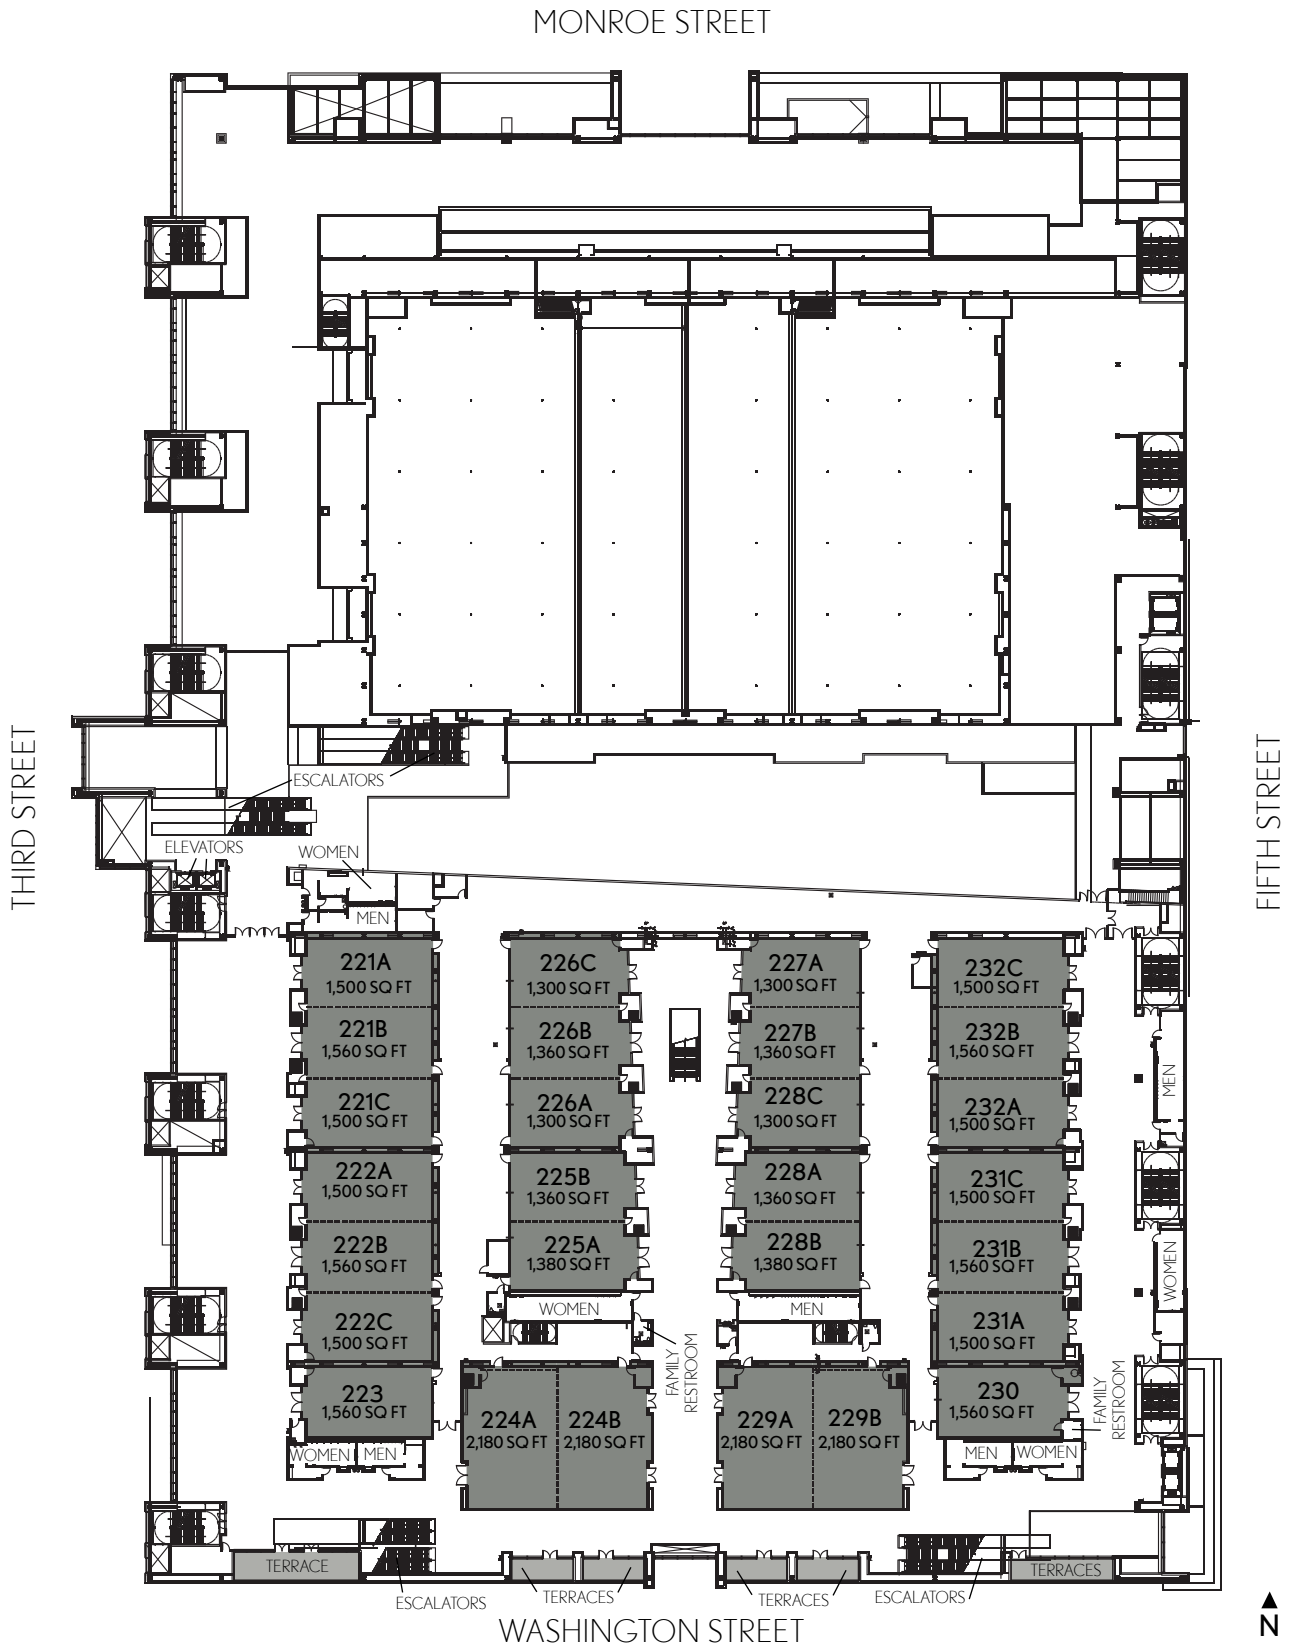

33,000 square feet of spacious pre-function space is located just outside the 300 Level Exhibition Hall, and can be used for registration or a variety of event functions. An enclosed pedestrian bridge with Frank Lloyd Wright-inspired terrazzo flooring provides guests with a direct, climate-controlled connection to the West Building.

The Street Level features the 45,600 square-foot North Ballroom with a dedicated entrance, 25,000 square feet of pre-function space, and a porte cochere for guest drop offs. This exquisite ballroom is complete with dimmable lighting, sound system, and production balcony, and offers back-of-the-house load-in access. Decorative lighting, high-end wood finishes, and metallic fabric panels designed to replicate the desert sky, create an elegant setting for any occasion. The North Ballroom is the largest venue of its kind in Arizona.

This level also features 28 breakout meeting rooms with more than 43,000 square feet of meeting space and includes four unique indoor/outdoor reception patios, each offering between 720 to 900 useable square feet of space.

A Food Court with five themed eateries and a Starbucks kiosk, provides a variety of dining options for guests. The convention center's satellite ticket office, information desk and The UPS Store Business Center are also located on the Street Level.

*SF Area rounded.

† Halls 3 and 5 not booked independently.

The Exhibition Hall offers 312,500 square feet of continuous exhibit space which connects the North and West Buildings under Third Street. Scored on a 10' x 10' grid and a 30' x 30' utility grid to expedite the move-in process, the Exhibition Hall has a 350 pounds/square foot weight capacity and rigging points ranging from 2,500-5,000 pounds/square foot. This level offers five functional show offices, three that overlook the show floor and two on the ground level in the adjacent pre-function areas.

The Lower Level features two convenient access points for move-in. The North Building loading dock features 21 truck bays, three ramps and three convenient roll-up doors (two at 20'Wx16'H and one at 22'8"Wx16'H). The West Building loading dock provides nine truck bays, two convenient roll-up doors (18'Wx11'10"H and 18'Wx12'H) and a semi-truck turnaround. Trucks with a wheelbase of 73' or less can access the Exhibition Hall floor on this level via a sliding door (24'Wx16'H).

40,000 square feet of spacious pre-function space, located just outside the Exhibition Hall, is available for registration and a variety of other event functions. Convenient dining options for guests include three, double-sided Metro Bistros, accessible from the pre-function area and the Exhibition Hall, and the Metro Café, located adjacent to Hall 1.
