

# PARTNERS

Interpreting

VRI is a multi-language interpretation service provided through video conferencing that complements on-site Interpreting services. This Internet/browser-based system is secure, HIPAA compliant and can be used for pre-scheduled and on-demand needs. With clear audio and high-quality video, VRI is available on: laptops, tablets, and smartphones. Our nationwide network of professional interpreters are there when you need them.

## ALL YOU NEED

INTERNET

## VRI ANYWHERE

## Features:

- **Simple.** 1 step login and easy-to-use high quality video interface.
- **Convenient.** Responsive interpreting available on-demand 24/7/365.
- **Dynamic.** Capacity to meet scalable workplace requirements.
- **Personal.** Connect with specific interpreters instead of routing across numerous call-centers.
- **Powerful.** Extensive base of US-certified Interpreters supporting a broad language selection.

Partners Interpreting understands that there is no one size fits all in interpreting services. VRI enhances a balanced approach to interpreting services and is ideal for:

- Immediate, on-demand Interpreting
- For shorter interpreter sessions, and
- For languages that are not regularly encountered.

## ADVANTAGES

- **Cost-effective.** No expensive proprietary equipment, No travel costs, affordable per-minute rates – pay only for what you use, volume-based discounts.

- **Efficient.** Just-in-time service delivery increases staff productivity through reduced wait-times and more completed meetings/appointments.

- **Government Compliant.** ADA and Title VI accommodation.

- **Effective Healthcare.** Decreased hospital stays, fewer re-admits, reduced unnecessary tests, and increased patient safety.

- **Secure.** Simplified Internet configuration using our encrypted, secure communications and HIPAA compliant.

With our national network of service providers, we offer over 180 languages to meet your culturally-diverse needs. The strength and success of Partners Interpreting lies in our passion and commitment to language access, quality and client service.

*It's easy to schedule a Partners Interpreting VRI session.*
