You're In Good Company

You can call it a Midwestern feel or a small town feel or even an American feel, but at the root, it truly is a Rockford feel. We are Real. Original. Rockford. We are the home of Cheap Trick and Sock Monkeys. Where our Peaches aren't fruit but baseball legends, and IceHogs make us hockey fanatics. Where there is so much green space to roam that two nicknames – "The Forest City" and "The City of Gardens" – describe us perfectly.

The Rockford feel is about community and the people that call it home. Rockfordians are passionate about their town and region – from the great forest preserves to the Rock River, from Swedish pancakes to potato chips, from Jane the T. rex to 815 T-shirts.

And we hope that with this Visitor's Guide you will get a taste of our local flavor. Discover our great city and region and experience Real. Original. Rockford.
